REMARkABLE CONTROL: Source Kill® Roach 6ct. Proof of Purchase is a powerful and effective product that uses a unique formula to kill roaches at their source. It contains active ingredient hydramethylnon, which is toxic to roaches and other insects. The bait is designed to attract roaches and, once ingested, the poison spreads through their system, causing death. The product is easy to use, simply place the baits around areas where roaches are most likely to be found, such as kitchens, bathrooms, and basements. It is important to place the baits away from pets and children to avoid accidental ingestion. After use, wash hands with soap and water. COMBAT Source Kill® Roach is effective against both small and large roaches, providing long-lasting protection against these pests.
