KEEP OUT OF REACH OF CHILDREN

CAUTION
See side panel for additional precautionary statements.

ATHLETIX Disinfectant Wipes will clean and disinfect hard, non-porous surfaces of gym equipment, exercise machines, wrestling mats, gymnastic equipment, grocery cart handles, grocery carts, shopping carts, grocery cart child seats. ATHLETIX Disinfectant Wipes will not harm most surfaces including acrylic, fiberglass and vinyl. ATHLETIX Disinfectant Wipes are non-woven, disposable wipes presaturated with a quaternary disinfectant cleaner.

DIRECTIONS FOR USE
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. This product is not for use on critical and semi-critical medical device surfaces. CLEANING: Use one ATHLETIX Disinfectant Wipes to completely remove all major dirt and debris from surfaces to be treated. DISINFECTING: To disinfect hard, non-porous surfaces, thoroughly wet the surface to be treated. Treated surface must remain visibly wet for 5 minutes. Use enough wipes for treated surface to remain visibly wet for 5 minutes. For heavily soiled surfaces, clean before following disinfecting instructions. Allow surfaces to air dry.

ATHLETIX Disinfectant Wipes are an effective virucide on hard, non-porous surfaces and objects before application of Disinfecting Wipes.

CONCEALED INFECTIOUS MATERIALS:

DO NOT USE THE COLORS ON THIS PROOF AS THEY DO NOT MATCH PMS COLORS.

This proof indicates approximate color only. For accurate color match, use actual PANTONE
