**KEEP OUT OF REACH OF CHILDREN DANGER PELIGRO**

---

**PERSONAL PROTECTIVE EQUIPMENT (PPE)**

Applicators must wear:

- **Safety glasses**
- **Long-sleeved shirt and long pants**
- **Chemical resistant gloves for hand and forearms**, **socks**
- **Chemical-resistant shoe cover**

Follow manufacturer’s instructions for cleaning/maintaining PPE. If no such instructions exist, wash daily with detergent and hot water. Keep washed PPE separate from other laundry.

**User Safety Instructions**

- **Read label**

- **Dilute clothing and other absorbent materials that have been saturated by this product’s concentrate. Do not rewash.**

- **Users must wash hands before eating, chewing gum, or smoking, or using tobacco or the like. Users must remove clothing/PPE immediately if pesticide gets on them. Take off contaminated clothing.**

- **Wash thoroughly and put clean clothing on. Users must remove PPE immediately after handling the product. As soon as possible, wash thoroughly and change into clean clothing.**

---

**ENVIRONMENTAL HAZARDS**

This pesticide is toxic to fish and aquatic organisms. Do not contaminate water, ditches, ponds, streams, or oceans with the product or used containers. Do not contaminate water by allowing rain to wash off residual pesticides. Batteries and containers should not be disposed of in sewers or ditches. Batteries should be recycled or disposed of at a local Publicity Discharge Elimination System (PDES) permit and the permit authority must be notified in writing prior to disposal. Do not discharge this pesticide containing water into systems without previously notifying the local battery recycling plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

---

**STORAGE & DISPOSAL**

Do not contaminate water, ditches, ponds, streams, sewers or oceans with the product or used containers. **PESTICIDE STORAGE:** Store in original container in a cool place. Protect from excessive heat. Open dumping is prohibited.

**PESTICIDE DISPOSAL:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, pesticide spray or rinse is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Maryland Pesticide Registry at the nearest EPA Regional Office for guidance.

---

WARNING: Non-Residual Container: Do not use or refill this container. Triece me or your local waste management authority if you have any extra material available. For more information consult your state and local authorities, by burning. If torn, throw into smoke.
