For better use in the Home

DIRECTIONS FOR USE:
To kill Bed Bugs and Bed Bug Eggs: Apply as a spot treatment to cracks and crevices on and around baseboards, floorboards, furniture, and around the edges of carpet. Also spray surface spray to carpet, rugs, ceilings, headboards, furniture, on floor and floor coverings. When treating carpets, floor coverings or rugs spray a sufficient amount to get the spray down into the base where the larval stages are feeding. Spray upper and lower surfaces of rugs or floor covering when possible.

TO KILL TICKS and FLEAS: Apply as a spot treatment to cracks and crevices on and around baseboards, floorboards, furniture, and around the edges of carpet. Also spray surface spray to carpet, rugs, ceilings, headboards, furniture, on floor and floor coverings. When treating carpets, floor coverings or rugs spray a sufficient amount to get the spray down into the base where the larval stages are feeding. Spray upper and lower surfaces of rugs or floor covering when possible.

TO KILL DUST MITES: Spray around beds, furniture and pet's habitats. Spray pet sleeping quarters, bedding, floor and floor covering where pets are kept. Only use a recommended pet spray on pets.

TO KILL MUST INFESTATIONS: Thoroughly vacuum entire room concentrating on areas where mice congregate: such as mattresses, box springs, headboards, walls, floors, ceiling, headboards, furniture, door and window frames, millwork and walls. Apply as a surface spray to carpet, mattresses, box springs, walls, furniture, bedding, floor and floor coverings, rugs, garnements, luggage, drapes, closets and other window appointments. Thoroughly clean all air in ducts and boxes springs. Then treat areas that may harbor Bed Bugs or their eggs, such as cushions, box springs, and mattresses. When treating for bed bug eggs spray each square foot for 15 seconds or until damp.

TO KILL CLOTHES MOTHS AND CARPET BEETLES: Apply as a spot treatment to cracks and crevices on and around baseboards, floorboards, furniture, and around the edges of carpet. Also spray surface spray to carpet, rugs, ceilings, headboards, furniture, on floor and floor coverings. When treating carpets, floor coverings or rugs spray a sufficient amount to get the spray down into the base where the larval stages are feeding. Spray upper and lower surfaces of rugs or floor covering when possible.

STORAGE AND DISPOSAL:
Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE:
Store in a cool dry area. Always store pest control products out of the reach of children. Store away from food and pet food.

Hazardous by Inhalation. Harmful if absorbed through skin. Avoid contact with eyes, skin or mucous membranes. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

This product is toxic to fish and aquatic invertebrates. Do not apply directly to water, or to areas where surface water is present or to tidal areas below the mean high water mark. Do not contaminate water when disposing of equipment, wash water or rinsate.

These products may contain perchlorate, a chemical that may present special handling or disposal requirements under state and federal law. For information, go to www.dtsc.ca.gov/hazardouswaste/perchlorate.
