**FIRST AID**

Have Product Container or Label with You When Calling a Poison Control Center, Doctor or Going in for Treatment. Any person applying zinc phosphate products and experiencing signs and symptoms such as nausea, abdominal pain, tightness in the chest, or weakness, needs to be seen by a physician immediately.

If swallowed:
- Call a poison control center, doctor or 1-800-486-7274, immediately for treatment advice or transport the patient to the nearest hospital.
- Do not give water to the patient.
- Do not administer anything by mouth.
- Do not induce vomiting unless told to do so by the poison control center or doctor.

If on skin or clothing:
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison center or doctor for further treatment advice.

If inhaled:
- If person is not breathing call 911 or an ambulance, then give artificial respiration preferably mouth-to-mouth, if possible.
- Call a poison control center or doctor for further treatment advice.

If in eyes:
- Hold eyes open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for further treatment advice.
