1 U.S. Gallon
(3.785 L)
**FIRST AID**

- **If inhaled:** Remove to fresh air. If not breathing, call 911 or an ambulance, then give artificial ventilation and artificial respiration, if necessary. Do not give mouth-to-mouth resuscitation. Keep the person warm. Do not give anything by mouth unless directed to do so by a poison control center or doctor. Use mechanical or positive pressure artificial respiration if necessary. If patient is known to be exhibiting seizures, use anticonvulsants.
- **If on skin or clothing:** Take off contaminated clothing. Rinse skin thoroughly with water. If material is not rinsable, place in trash. Do not apply water directly to skin or clothing to avoid work-related injuries. If material is rinsable, place in trash. Do not apply water directly to skin or clothing if material is rinsable, place in trash. Do not apply water directly to skin or clothing if material is rinsable, place in trash.

**EXPOSURE LIMITS**

- **OSHA/NIOSH:
  - IDLH: 100 ppm
  - Short-term limit: 25 ppm
  - Chronic exposure limit: 10 ppm

**HAZARDOUS SUBSTANCES/PREPARATIONS**

- **Inhalation:** Hazardous
- **Ingestion:** Hazardous
- **Eye contact:** Hazardous
- **Skin contact:** Hazardous
- **Skin absorption:** Possible

**HAZARD CLASSIFICATION**

- **Primary hazards:** Flammable
- **Secondary hazards:** None

**GHS**

- **Classification:
  - Health hazard: Category 1, Health hazard: Category 1
  - Environmental hazard: Category 4

**STORAGE AND DISPOSAL**

- **Storage:** Store in a cool, dry place. Keep away from heat, sparks, and open flames. Do not store in direct sunlight. Keep out of the reach of children.
- **Disposal:** Disposal of any excess, spilled bait, or rinsewater is a violation of Federal Law. If these wastes cannot be disposed of by burning or using the solid waste collection system, call your local Hazardous Waste representative at the nearest EPA Regional Office for guidance.
- **Special Notes:** If partly filled: Follow state or local regulations for disposal of partially filled containers. Never apply any of these products to any food, feed, or water used for food preparation. Use non-hazardous waste collection systems to dispose of excess products.

**APPLICATION INSTRUCTIONS**

- **Application:
  - **Label:** The pesticide is a water-based concentrate. It is not intended for direct application to surfaces. It is to be applied to the foliage of the target insects as directed on the label.

**NOTICE TO PREPARERS AND APPLICATORS**

- **Preparation:** This product is a water-based concentrate. It is not intended for direct application to surfaces. It is to be applied to the foliage of the target insects as directed on the label.
