**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**KEEP OUT OF REACH OF CHILDREN**

**DANGER**

Danger. Corrosive to the eyes. Causes skin burns. May be fatal if inhaled. Harmful if swallowed.

Do not get in eyes, on skin, or on clothing. Wear a face shield. Avoid breathing vapor, mist, dust, smoke, or fume. Do not allow to contaminate paint or sanding boat surfaces. Watch out for splashing paint on or sanding boat surfaces. Most are supplied under air power - air-powered air-purifying respirator (AAPR) approved by NIOSH for use with paints and coatings.

Wear a Tyvek hooded coverall or the equivalent coverall, coveralls beneath the Tyvek hooded coveralls, impervious gloves, and impervious footwear that protects the lower legs. Remove contaminated clothing and discard after each use. Do not wash with soap and water after handling and before eating food.

**FIRST AID**

**IF IN EYES:**

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, and then continue rinsing.
- Call a Poison Control Center or doctor for treatment advice.

**IF SWALLOWED:**

- Immediately call a poison control center or doctor.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give any liquid to the person.
- Do not give anything by mouth to an unconscious person.

**IF ON SKIN OR CLOTHING:**

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for further treatment advice.

**IF INHALED:**

- Move a person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible.
- Do not give anything by mouth to an unconscious person.

- Call a poison control center or doctor for further treatment advice.

**OTHER:**

- Have the product container or label with you when calling a poison control center or doctor or going for treatment.

**NOTICE TO PHYSICIAN:**

- Contains petroleum distillate - vomiting may cause aspiration pneumonia.

**ENVIRONMENTAL HAZARDS:**

- This material is toxic to fish, aquatic invertebrates, and shrimp. Do not apply directly to water by cleaning of equipment or disposal of wastes. Do not allow chips and dust generated during cleaning or paint removal to enter water. Dispose of paint debris in an approved landfill. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent to sewer system without previous notification to the local sewage treatment plant authority. For guidance contact your local State water Board or Regional Office of the EPA.

**PHYSICAL OR CHEMICAL HAZARD:**

- FLAMMABLE. Keep away from heat and open flames.

**STORAGE AND DISPOSAL:**

- Do not contain water, food or feed by storage or disposal.

**PESTICIDE OR DISPOSAL:**

- Pesticides wastes are toxic. Open dumping is prohibited. Pesticide, spray mixture, or tank that cannot be used must be disposed of in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not dispose effluent to sewer system without previous notification to the local sewage treatment plant authority. For guidance contact your local State water Board or Regional Office of the EPA.

- CONTAINER DISPOSAL:

  - Triple rinse (or equivalent) and dispose of in an approved landfill.
  - Consult Federal, State or local disposal authorities for approved alternative procedures.
