BLACK • NEGRO
BOTTOMKOTE® PRO

PRODUCT DESCRIPTION: Proven performance for bootyards that require economical dependable seasonal anti-fouling protection. Algal action minimizes paint build-up and high solid, low VOC content reduces solvent emissions. Bottomkote Pro can be applied over all types of properly prepared bottom paints and surfaces except aluminum.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

COMPATIBILITY: Bottomkote Pro can be applied over most other antifouling paints provided the old coating is tightly adhered, is in sound condition and has been thoroughly sanded with 80 grit wet or dry sandpaper. Bottomkote Pro can be applied by brush, roller or spray.

X.B.C.: Less than 33% granulifer (2.75 lbs./gallon)

THINNER: Interlux® Special Thinner 210 or Interlux® Brush Ease 433.

CLEAN-UP: Special Thinner 210 or Brush Ease 433.

THEORETICAL COVERAGE: 375 sq. ft./gallon

APPLICATION: 2 squ. ft. per gallon

YIELD: Provides 2 mils dry film thickness.

THINNING: Thin only when necessary

APPLICATION TEMPERATURE: 50°F (10°C) and above (air and hull).

Do not exceed 10% maximum.

Do not exceed 10% maximum.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING

Causes eye irritation. Harmful if absorbed through skin. Avoid contact with skin, eyes, or clothing. Wear protective clothing such as gloves, long-sleeved cotton shirt, long pants, and hat. May be fatal if swallowed or inhaled. Do not breathe dust, vapor or spray mist. While spraying, use protective clothing and avoid breathing dust. Wash thoroughly with soap and water after handling.

FIRST AID

If swallowed:

• Immediately call a poison control center or doctor.
• Do not induce vomiting unless told to do so by a poison control center or doctor.
• Do not give any liquid to the person.
• Do not give anything by mouth to an unconscious person.

If on skin or clothing:

• Take off contaminated clothing.
• Rinse skin immediately with plenty of water for 15-20 minutes.
• Call a poison control center or doctor for treatment advice.

If in eyes:

• Hold open eye and rinse slowly and gently with water for 15-20 minutes.
• Remove contact lenses, if present, immediately after first 5 minutes, then continue rinsing eyes.

If a person inhales:

• Move person to fresh air.
• If person is breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
• Call a poison control center or doctor for further treatment advice.

If on skin:

• Wipe off contaminated clothing.
• Rinse skin immediately with plenty of water for 15-20 minutes.
• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes.
• Call a poison control center or doctor for treatment advice.

Other:

• Have the product container or label with you when calling a poison control center or doctor. 
• Note to physician: Contains petroleum distillate - volatiles may cause asthma pneumonia.

ENVIRONMENTAL HAZARDS

This material is toxic to fish. Do not apply directly to water by cleaning of equipment or disposal of wastes. Do not allow chips and dust generated during paint removal to enter water. Dispose of paint debris in an approved landfill. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional office of the EPA.

PHYSICAL OR CHEMICAL HAZARD

Do not use or store near heat or open flame.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Open drumming is prohibited. PESTICIDE DISPOSAL: Pesticidal wastes are unsafely hazardous. Improper disposal of excess pesticide, spray mixture, or rinse is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Non-refillable container. Do not reuse or refill this container. Triple rinse as follows: Empty the remaining contents into application equipment or a mix tank and drain for 10 seconds after the flow begins to chip. Fill the container 1/4 full with water and recirc. Shake for 10 seconds. Pour rinsate into application equipment or a mix tank and drain for 10 seconds after the flow begins to chip. Repeat this procedure two more times.

For CHEMICAL EMERGENCY, SPILL, LEAK, EXPOSURE OR ACCIDENT, CALL TOLL FREE: CHEMTREC 1-800-424-9300 (DAY OR NIGHT) MEDICAL ADVISORY: CONTACT YOUR LOCAL POISON CONTROL CENTER OR CALL 1-800-222-1222.
