DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Possession of this product without the label is unlawful. The label must be returned to the distributor. (The Village, if you cannot speak English, do not use this product until the label has been fully explained to you.)

HOW TO APPLY:
1. USE ONLY ON DOGS. Do not use on cats or other animals.
2. Remove applicator from package.
3. The dog should be standing in a comfortable position for easy application.
4. Holding the applicator upright, place thumb and index finger around the applicator tip under the capsule. With other hand, grasp the area of applicator tip above capsule and push down firmly on small disk until both disks meet, piercing the seal. (See illustration.)
5. Using the tip of the applicator, part the hair between the shoulder blades and slowly apply the product on the back of the dog’s neck and continuing in the area shown in the diagram.

For dogs weighing between 2.5-10 lbs, apply the product directly to your dog’s ear or neck.

For dogs weighing 11-29 lbs, apply the product directly to your dog’s ear or neck.

For dogs weighing 30-50 lbs, apply the product directly to your dog’s ear or neck.

For dogs weighing over 50 lbs, apply the product directly to your dog’s ear or neck.

6. Discard empty applicator tube as outlined in the storage and disposal section.
7. For treatment, control, and prevention of fleas, lice, and ticks, year-round treatment is recommended.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage and disposal.
Storage: Store in a cool, dry place. Protect from freezing.
Disposal: If empty, do not reuse the container. Place in trash or offer for recycling if available. If partially filled, call your local solid waste agency for disposal instructions. Never place unused pesticides down any indoor or outdoor drain.

LIMITED WARRANTY AND LIMITATION OF DAMAGES
Seller warrants that the material conforms to the chemical parameters of the US EPA registration and is not harmful. Seller makes no warranty in the event the material is not in accordance with applicable law, express or implied, other than as indicated on the label. Buyer and user assume all risk of use and handling of this material when such use and handling are contrary to the label directions.
