4 DOSSES

Net Contents: 4 doses, each 0.204 fl. oz. (6.0 mL)
FOR DOGS OVER 8 WEEKS OF AGE
WEIGHING 50 TO 100 LBS

HAZARDS TO DOMESTIC ANIMALS
For external use on dogs only. Do not use on puppies less than 8 weeks old.
Do not use this product on debilitated, aged, medicated, pregnant
or nursing animals or animals known to be sensitive to pesticide
products without first consulting a veterinarian. Sensitivity, such
as slight transitory redness of the skin at the site of application,
may occur after using ANY pesticide product for pets. If signs of
sensitivity occur, bathe your pet with mild soap or shampoo and
rinse with large amounts of water. If signs of individual animal
sensitivity occur and persist, contact your veterinarian. Have the
product container or label with you when calling your veterinarian
for advice.

FIRST AID

If in eyes:
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove
contact lenses, if present, after the first 5 minutes, then continue rinsing. Call
a poison control center or doctor for treatment advice.

If swallowed:
Call a poison center doctor for treatment advice. Do not induce
vomiting unless told to do so by
a poison control center or doctor.
Have person sip a glass of water
if able to swallow. Do not give
anything to an unconscious person.

If on skin:
Take off contaminated clothing.
Rinse skin immediately with plenty
of water for 15-20 minutes.
Call a poison control center, doctor,
or 1-877-872-3744 or after
6 pm EST 1-888-426-4435
immediately for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for
treatment. You may contact 1-877-872-3744, or after 6 pm EST 1-888-426-4435 for emergency medical
treatment information.

Net Contents: 4 doses, each 0.204 fl. oz. (6.0 mL)
EPA Reg No. 83399-10-0581
EPA Est. No. 68669-NC-1

For external use on dogs only. Do not use on puppies less than 8 weeks old. Do not use on cats, birds, rats, rabbits. Do not use on any animal or animal parasite or animals known to be sensitive to pesticides products without first consulting a veterinarian. Somatically, such as slight temporary redness of the skin at the site of application, may occur after using NIP pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap or shampoo and wash with large amounts of water. If signs of sensitivities occur and persist, contact your veterinarian. Have the product container or label with you when calling, your veterinarian for advice.

FIRST AID

If in eyes: Rinse eye open and close slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center, or doctor for treatment advice.

If swallowed: Call a poison control center, or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control center or doctor. Have person sip a glass of water if able to swallow. Do not give anything by mouth to an unconscious person.

If on skin: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 minutes. Call a poison control center, doctor, or 1-877-872-3744 or after 6 pm EST call 1-888-428-4435 immediately for treatment advice.

Have the product container or label with you when calling, a poison control center or doctor or going for treatment. You may contact 1-877-872-3744 or after 6 pm EST call 1-888-428-4435 for emergency medical information.
DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. (Precautions of consumer: All United States, no use on dogs, no use on pets prone to adverse reactions to the active ingredients. To the User: if you cannot speak English, do not use this product until the label has been fully explained to you.)

HOW TO APPLY:
1. USE ONLY ON DOGS. Do not use on cats or other animals.
2. Remove applicator from package.
3. The dog should be standing or in a comfortable position for easy application.
4. Holding the applicator upright, place thumb and index finger around the applicator tip under the large disk. With other hand, grasp the stem of applicator tip above smaller disk. Press down firmly on small disk until both disks meet, breaking the seal. See Illustration.
5. Using the tip of the applicator, part the hair between the shoulder blades and slowly apply the product (as shown below) directly onto the skin until the applicator tube is completely empty. Avoid superficial application to the animal's hair.

For dogs weighing between 2.5-10 lbs, apply the product to one spot, as shown, onto the skin.

For dogs weighing 11-20 lbs, apply the product to two spots, as shown, onto the skin.

For dogs weighing 21-55 lbs, apply the product evenly in two spots along the dog's back, beginning between the shoulder blades and continuing in the order shown in the diagram.

For dogs weighing 56-110 lbs, apply the product evenly in four spots on the dog's back, beginning between the shoulder blades and continuing in the order shown in the diagram.

6. Discard empty applicator tube as outlined in the storage and disposal section.
7. For treatment, control and prevention of ticks, flea eggs, lice larvae and lice, year-round treatment is recommended.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal.
Storage-Store in a cool, dry place. Protect from freezing.
Disposal-If empty, do not reuse the container. Place in trash or offer for recycling if available. If partially filled, call your local solid waste agency for disposal instructions. Never place unused products down any indoor or outdoor drain.

LIMITED WARRANTY AND LIMITATION OF DAMAGES
Seller warrants that the material conforms to the chemical parameters of the US EPA registration and the label. Seller makes no warranty to the extent consistent with applicable law, express or implied, other than indicated on the label. Buyer and user assume all risks of use and handling of this material when such use and handling are contrary to the label directions. To the extent consistent with applicable law, any damages arising from a breach of this warranty shall be limited to direct damages and shall not include consequential commercial damages such as loss of profit or values.
