HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

- Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove contaminated clothing and wash before reuse.
- Do not apply directly to or near water. Do not apply to streams, ponds, or other bodies of water, or to any electrical or other equipment where they may enter. Do not apply directly to or near food or food sources. Do not contaminate irrigation waters.

**FOR EXTERNAL USE ON DOGS ONLY.**

- Do not use on puppies under 3 months of age. Consult a veterinarian before using this product on debilitated, aged, medicated, pregnant, or nursing dogs.
- DO NOT USE ON CATS. May be toxic or potentially fatal if applied to or ingested by cats. Accidental application to cats and/or grooming a recently treated dog may result in tremors and/or uncoordinated muscle movements. If this occurs, immediate veterinary care should be provided.

Sensitivities may occur after use with ANY pesticide product for pets. If signs of sensitivity occur, bathe your dog with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Signs of sensitivity to the product include skin sensitivity, increased irritability, restlessness, seek darkness or fear of the application site. Dogs may also show "lethargy." Signs of sensitivity to this product include skin sensitivities such as rash, itchiness, redness, hair discoloration or hair loss at the application site. Dogs may also show "lethargy.”

**ENVIRONMENTAL HAZARDS**

This pesticide is extremely toxic to aquatic organisms, including fish and invertebrates. Do not apply directly to or near water. If ingested, consult a veterinarian immediately. Do not contaminate irrigation waters, surface waters, or other bodies of water. Do not contaminate food or food sources. Do not contaminate water used in packing or processing food. Do not contaminate water supplies.

**PHYSICAL OR CHEMICAL HAZARDS**

Combustible. Do not use or store near heat or open flame.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

DO NOT USE ON CATS or animals other than dogs. May be toxic and potentially fatal if applied to or ingested by cats.

Do not get this product in your dog’s eyes or mouth. Repeat applications may be made if necessary, but do not apply more often than once every 4 weeks.

For dogs 33 lbs. & under:
- Apply one tube (1.5 mL)(0.051 fl oz) of this product as a spot or stripe to the dog’s back between the shoulder blades.

**HOW TO APPLY**

Remove product from package. Holding tube with notched end pointing up and away from face and body, cut off narrow end to part dog’s hair. Squeeze tube firmly to apply all of the solution to the dog’s skin. Wrap tube and put in trash.

**STORAGE AND DISPOSAL**

PESTICIDE STORAGE:
- Do not remove tubes from outer packaging until ready to use. Store in a cool, dry place out of reach of children. Protect from freezing and direct sunlight.

PESTICIDE DISPOSAL AND CONTAINER HANDLING:
- Nonrefillable container. Do not reuse or refill this container. Empty: Place in a sealable, non-flammable container and dispose of appropriately. Do not incinerate. Place in a sealable, non-flammable container and dispose of appropriately. Do not incinerate.
