How to Apply:

1. Separate one tube from the strip by tearing at the perforation.

2. With the tube pointing up and away from the face and body, cut off the narrow end and at the notches with scissors.

3. While holding the dog with one hand use the other to apply the solution. Insert the tube and use the narrow end to help part the dog's hair. Apply directly on the skin.

4. Apply one strip to the dog's back starting between the shoulder blades and ending directly in front of the base of the tail.

Application Calendar:

For Dogs Weighing 40 lbs and Over:

Apply the entire tube (4.5 mL) as a continuous stripe on the dog's back starting between the shoulder blades and ending directly in front of the base of the tail.

For Dogs Weighing 40 lbs and Over and 12 weeks of age and older:

Do not apply more often than once every two weeks. Keep track of when you applied Sergeant's® Green Brand Application One

___ /___ /___ Application Two

___ /___ /___ Application Three

___ /___ /___ Application Four

Date

1. If your dog is sensitive to the product, consult a veterinarian before using this product on your dog.

2. Do not get this product in your dog's eyes or mouth. Do not bathe your dog within the first 24 hours after squeeze-on has been applied. Some dogs may experience temporary startle effects when squeeze-on is applied.

3. For use ONLY on dogs 40 lbs and over 12 weeks of age and older. Consult a veterinarian before using this product on debilitated, aged, medicated, pregnant or nursing animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

4. Do not apply product directly in or on eyes, mouth, nose or genitalia of dogs. Do not use on (or cause exposure to) puppies under the age of 12 weeks. Consult a veterinarian before using this product on debilitated, aged, medicated, pregnant or nursing animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.
