READ ENTIRE LABEL BEFORE EACH USE
USE ONLY ON DOGS, CATS, KITTENS, OR PUPPIES

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

FOR TOPICAL USE ONLY. DO NOT INGEST. Shake well before using.

Use Restrictions: The maximum application rate is once per week.

Thoroughly wet the hair with warm water. Use Mycodex® Flea & Tick Shampoo P³ full strength. Do not apply shampoo directly in or on the eyes, mouth or genitalia of animals. Apply 1 tablespoon shampoo for each 5 lbs of pet’s weight. Estimate the total amount of shampoo needed for your pet, then spread the shampoo along the back of the pet. Work well into coat starting at the head and working back. Spread lather to include the neck, legs, and feet. Continue to work lather in over the whole pet for 3 to 5 minutes (this is an important part of the grooming procedure). After lather has been worked in over the entire pet, rinse pet thoroughly with warm water. For extremely dirty or scaly pets, the above procedure may be immediately repeated. Repeat as necessary but do not apply more than once per week, for control of adult fleas and ticks.

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store in a cool area. PESTICIDE DISPOSAL AND CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

To the extent consistent with applicable law, Seller makes no warranty, expressed or implied, concerning the use and handling of this product other than indicated on the label. To the extent consistent with applicable law, Buyer assumes all risks of use and handling of this material when such use and handling are contrary to label instructions.

ACTIVE INGREDIENTS:
Pyrethrins (CAS #8003-34-7) 0.15%
Piperonyl Butoxide* (CAS #51-03-6) 1.88%
OTHER INGREDIENTS 98.07%

TOTAL 100.00%

*butylcarbityl)(6-propylpiperonyl) ether and related compounds

First Aid

Call a poison control center or doctor immediately for treatment advice.

IF ON SKIN OR CLOTHING:
• Take off contaminated clothing.
• Rinse skin immediately with plenty of water for 15-20 minutes.

IF IN EYES:
• Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-888-241-9545 for emergency medical treatment information.

Precautionary Statements:

Hazards to Humans and Domestic Animals

CAUTION

HUMANS: Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

ANIMALS: Do not use on puppies or kittens less than 12 weeks old. Consult a veterinarian before using this product on debilitated, aged, animals on medication, pregnant, or nursing animals. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.
