STOP!
Do Not Mix with Other Chemicals
Before Use

EPA REG. NO. 1258-1328

ACTIVE INGREDIENT: Zinc Sulfate Monohydrate
98.0% \[Inert Ingredients: \] 2.0%
TOTAL: 100.0%
Contains 35.5% elemental zinc

KEEP OUT OF REACH OF CHILDREN

DANGER
FIRST AID: IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

IF SWALLOWED: Call poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment service. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. In Case of Emergency Call: 1-800-844-5911. For emergency information on this product you may call the National Pesticides Information Center at 1-800-858-7378, 6:30 AM to 6:30 PM Pacific Time (PT), seven days a week. During other times, call the poison control center: 1-800-222-1222

NET CONTENTS: 4 oz. (113.4 g)

DIRECTIONS FOR USE:
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SWIMMING POOL USE:
WHEN TO USE THIS PRODUCT:
This product will prevent the growth of algae for complete pool enjoyment. HTH Winterizing Algae Control is a key component of the HTH System. It is convenient and easy to use. For best results, use with other HTH pool care products. For crystal clear pool water, follow our HTH System.

How to apply:
Add product either directly to pool or through the skimmer while pump is in operation according to the dosage tables below.

Pool Closing
Add a Pool Closing dose of this product according to the table below.

Follow recommended HTH pool closing procedure.

PRECAUTIONARY STATEMENTS
Hazard to humans and domestic animals:
Caustic. Avoid contact with skin. Avoid breathing dust or spray mist. Wear protective goggles. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

Physical and chemical hazards:
Avoid contact with strong oxidizers.

Environmental hazards:
This pesticide is toxic to fish and aquatic organisms.

STORAGE & DISPOSAL:
Keep out of reach of children. Store in a cool, dry, well-ventilated area. Keep away from heat or open flame. Nonrefillable container. Do not re-use or refill the container. Rinse empty container thoroughly with water to dissolve all material prior to disposal. Offer for recycling if available. Do not contaminate food or feed by storage of disposal of container or cleaning of equipment.
