ACT with Slime Fighter

PRODUCT DESCRIPTION: ACT with Slime Fighter utilizes Abative Technology to provide exceptional seasonal protection. Abative Technology enables it to be applied with ease and to last up to 10 days before reapplication. It is effective on a wide range of surfaces including concrete, asphalt, and metal.

APPLICATION: ACT with Slime Fighter is very effective at controlling weeds, moss, algae, and lichen growth, which helps keep the floor looking cleaner longer. It provides excellent protection against moss, algae, lichen, and other plant growth. When applied correctly, it can be used on wood, stone, and brick surfaces.

PREPARATION: For best results, it is recommended to use the product in a way that is consistent with its labeling.

THEORETICAL CONCENTRATION: 1/2 oz. to 2 pt./gal.

DIRECTIONS: Thoroughly mix the concentrate by stirring well before use. Apply to the desired surface using a sprayer or a paintbrush. The recommended coverage is 1/2 oz. to 2 pt./gal. of water.

CLEAN-UP: ACT with Slime Fighter is easily removed from surfaces by applying a mixture of water and mild detergent. Wet the surface and apply a cleaning solution. Rinse thoroughly with clean water.

APPLICATION TEMPERATURE: 50°F to 100°F (10°C to 38°C)

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if absorbed through skin or inhaled. Avoid contact with eyes, skin, or clothing. Wear protective clothing such as chemical-resistant gloves, long-sleeved shirt, long pants, and a respirator. If eye contact occurs, rinse immediately with plenty of water for 15-20 minutes. If swallowed, give plenty of water. Call a poison control center or doctor for treatment advice.

ENVIRONMENTAL HAZARD: ACT with Slime Fighter is biodegradable and environmentally safe.

STORAGE AND DISPOSAL: Do not store in direct sunlight. Store in a cool, dry place.
