DIRECTIONS FOR USE

For indoor and outdoor residential use only. Not for commercial production.

Do not apply this product in a way that the spray will contact persons, either directly or through drift.

Important application information:
- Do not apply to food crops or food plants.
- Do not immediately harvest or gather crops from treated areas.
- Keep children and pets out of treated areas until sprays have thoroughly dried.

How to apply:
- Shake container gently before using.
- Draw up 3-1/2 oz. of product in gallon of water.
- Hold sprayer 8 to 12 inches from the area to be treated.
- Direct spray toward the upper and lower leaf surfaces and stems where the pests appear.
- Spray only until the surface of the foliage is wet.

Ortho® Dial 'N Spray® Applicator

Shake container gently before using.
- Set dial to 3 1/2 oz.
- Pour product into jar to fill or one-half full.
- DO NOT add water.
- Attach hose to the sprayer.
- Hold sprayer 8 to 12 inches from the area to be treated.
- Direct spray toward the upper and lower leaf surfaces and stems where the pests appear.
- Spray only until the surface of the foliage is wet.

Four untreated product back into its original container.

To use Ortho® Dial 'N Spray® Applicator indoors:

Where to apply:
- Apply as soon as insect and disease problems are noted. Wait 2 to 4 weeks to re-apply if insect and disease problems reappear. Do not apply more than 3 times in a season.

PRECAUTIONARY STATEMENTS:

CAUTION

HAZARDS TO HUMANS & DOMESTIC ANIMALS

Harmful if absorbed through skin. If inhaled or swallowed. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

FIRST AID

If on Skin - Take off contaminated clothing.

- Rinse skin immediately with plenty of water for 15 to 20 minutes.
- Call a Poison Control Center or doctor for treatment advice.

If Inhaled - Move person to fresh air.

- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
- Call a Poison Control Center or doctor for further treatment advice.

If Swallowed - Call a Poison Control Center or doctor immediately for treatment advice.

- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a Poison Control Center or doctor.
- Do not give anything by mouth to an unconscious person.

If in Eyes - Hold eye open and rinse slowly and gently with water for 15 to 20 minutes.

- Remove contact lenses, if present, after the first 5 minutes then continue rinsing.
- Call a Poison Control Center or doctor for treatment advice.

For MEDICAL emergencies, Call 24 Hours a Day 1-800-225-2883

Have the product container or label with you when calling a Poison control center or doctor or going for treatment. You may also contact 1-800-225-2883 for emergency medical treatment information.

NOTE TO PHYSICIAN: There is no specific antidote. All treatments should be based on observed signs and symptoms of disease in the patient. Overexposure to other materials other than this product may have occurred.

ENVIRONMENTAL HAZARDS

To protect the environment, do not allow pesticide to enter or run off into storm drains, ditches, ponds, rivers, or streams. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Rinsing application equipment over the treated area will help avoid run off to water bodies or drainage systems. This pesticide is toxic to wildlife. This product is toxic to bees exposed to direct treatment. Do not apply this product while bees are actively visiting the treated area.

PHYSICAL OR CHEMICAL HAZARDS: Do not apply this product in or on electrical equipment due to the possibility of shock hazard.

NOTICE: To the extent allowed by law, buyer assumes all risks of use, storage, or handling of this product not in accordance with directions.

THE ORTHO GUARANTEE: If for any reason you, the consumer, are not satisfied with this product, mail us original proof of purchase to obtain a full refund of your purchase price.

MODO DE EMPLEO

Se considera una violación a la ley federal usar este producto con fines que los indicados en la etiqueta.
