Total 100.0000%

**Directions for Use**

This is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**Cleaning:** Wipe surface with wipe, let air dry. No need to rinse. These wipes will not harm most surfaces. Not recommended on unsealed wood or glass.

**Disinfection & Deodorization:** Wipe surface to be disinfected. Allow surface to remain wet for 10 minutes before use. Let surface dry. A rinse is required for surfaces in direct contact with food. No scrubbing is necessary. The product will not leave grit or soak spot. For heavily soiled surfaces, clean before following Disinfection instructions. Not for personal cleansing. This is NOT a baby wipe.

**Bacterialidal Activity:** When used as directed, this product exhibits effective disinfectant activity against the organisms: Salmonella enterica (Salmonella), Escherichia coli (E. coli) ATCC 11229 and Escherichia coli (E. coli) ATCC 11229.

**Efficacy Tests**

These tests have demonstrated that this product is an effective Bactericide in the presence of organic soil (99% blood serum).

**First Aid**

Have the product container or label with you when calling a poison control center or doctor, or for going for treatment.

**In Eyes:**

Hold eyelids open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing the eye. Call a poison control center or doctor for treatment advice.

**Storage and Disposal**

Do not contaminate water, food or feed by storage or disposal.

**Pesticide Storage:** Store in an area inaccessible to children.

**Container Storage/Disposal:** Dispose of in a trash after use. Do not flush. Canister. Tightly close lid between uses to retain moisture. Non-releasable container. Do not reuse or refill this container. Offer empty container for recycling if available or discard in trash. Plastic Bag: Do not reuse or refill plastic bag. Offer empty plastic bag for recycling if available or discard in trash.
