**SIGMA ECOFLEET 238**

**BLACK**

**MARINE ANTIFOULING PAINT**

INTENDED FOR USE IN COMMERCIAL SHIPYARDS ONLY

EPA Reg. No. 7313-12
EPA Est. No. 7313-AR-1

**Active Ingredient:**

Cuprous Oxide . . . . . . . . . . . . . . 29.20%
Other Ingredients . . . . . . . . . . . . . . 70.80%
Total . . . . . . . . . . . . . . . . . . . . 100.00%

**Copper as metallic:** 25.9%
Contains Petroleum Distillates

**Manufactured in the U.S.A.**

**thinned:**

Voc Data :

312 g/L (2.6 lbs/gal)

DOT: Paint, UN1263

Shelf life: 1 year from date of shipment

**Contains Petroleum Distillates**

**FIRST AID**

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If swallowed: Call poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth to mouth, if possible. Call a poison control center or doctor for treatment advice.

For emergency medical information, call 1-412-434-4515.

**HYGIENIC PRACTICES** – Wash thoroughly after use and before eating, smoking or using washroom. Keep away from feed or food products. Launder contaminated clothing before use.

**ENVIRONMENTAL HAZARDS:** This product is toxic to fish. Do not apply directly to water by pouring, equipment or disposal of wastes or allow chips and dust generated during paint removal to enter water.

**PHYSICAL OR CHEMICAL HAZARDS:** Flammable. Keep away from heat, sparks, arc and open flame. Avoid breathing vapor, dust, spray mist or contact with eyes and skin. Use only with adequate ventilation and wear protective equipment, such as goggles, face protection, gloves, full protective clothing and properly fitted, positive-pressure, air-supplied respirator, during mixing, spraying and drying, until all vapors and mists are gone. There are reports that associate repeated and prolonged occupational exposure to solvents with permanent brain and nervous system damage. In confined, poorly ventilated areas, use airline, hood-type respirator and explosion- and spark-proof equipment. Welding and cutting can produce hazardous fumes and gases. For fires, blanket flames with foam, carbon dioxide, dry chemical. For spills, eliminate all sources of ignition or spills. Use absorbent cleanup materials; place in separate, closed, metal container and dispose of in accordance with all applicable regulations. Wear NIOSH certified, self-contained air-supplied respirators to prevent overexposure to vapors.

**APPLICATION INSTRUCTIONS**

1. Clean application equipment immediately after use with thinner.
2. Apply a wet coat in even brush or roller strokes or spray passes, building the wet film thickness to achieve the recommended dry film thickness. Allow 4 hours dry time at 77°F (20°C) before launching.
3. Apply a wet coat in even brush or roller strokes or spray passes, building the wet film thickness to achieve the recommended dry film thickness. Allow 4 hours dry time at 77°F (20°C) before launching.
4. Clean all equipment immediately after use with thinner.
5. Clean all equipment immediately after use with thinner.
6. Clean all equipment immediately after use with thinner.
7. Clean all equipment immediately after use with thinner.
8. Clean all equipment immediately after use with thinner.
9. Clean all equipment immediately after use with thinner.
10. Clean all equipment immediately after use with thinner.

**STORAGE AND DISPOSAL**

Keep container closed when not in use. Store in cool, dry, well-ventilated area. Do not contaminate water, food or feed by storage or disposal. **Pesticide Disposal:** Pesticide wastes are toxic. Improper disposal of this product or its rinsate is a violation of Federal Law. If this product cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or Regional EPA Office, Hazardous Waste. **Container Disposal:** Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

**LIMITED WARRANTY**
