Sergeant's EVOLVE® 40 Flea & Tick Squeeze-On for Dogs is an effective and easy to use product. As with all flea and tick control products, Sergeant's EVOLVE® 40 Flea & Tick Squeeze-On for Dogs should be used as part of a program aimed at reducing flea populations in the dog’s environment (bedding, carpets, kennel, yard, pets).

If you have questions or comments about this product, please contact Sergeant's Consumer Response, P.O. Box 540399, Omaha, NE 68154-0399.

CAUTION: Avoid contact with eyes or clothing. Harmful if swallowed or absorbed through the skin. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID: For oral exposure: Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For more information, visit www.pesticideinfo.org.

IF IN EYES • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for further treatment advice.

IF INHALED • Remove from inhalation, then deal with the symptoms caused by the substance involved. • Get medical attention immediately.

IF SWALLOWED • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

USE ONLY ON DOGS AND PUPPIES OVER 12 WEEKS OF AGE

FOR EXTERNAL USE ONLY. Do not use on cats. May be toxic and potentially fatal if applied to or ingested by cats. FOR EXTERNAL USE ONLY. Do not use on pregnant or nursing dogs. Do not use multiple tubes on one dog. Might cause death if used by the wrong species or if the wrong dose is used. In the event of ingestion, call a poison control center immediately.

DO NOT USE ON CATS. May be toxic and potentially fatal if applied to or ingested by cats. FOR EXTERNAL USE ONLY. Do not use on pregnant or nursing dogs. Do not use on debilitated, aged, medicated, pregnant, or nursing dogs. Consult a veterinarian immediately by calling 1-800-781-4738.

YOU MAY APPLY UP TO 3 TIMES PER MONTH. Application may be made if necessary, but do not apply more often than once every 4 weeks.

If you have questions or comments about this product, please contact Sergeant's Consumer Response, P.O. Box 540399, Omaha, NE 68154-0399.

Three 4.5 mL (0.15 fl oz) Tubes

HOW TO APPLY:

Remove product tubes from the package. Separate one tube from the other(s) and do not refill tube. Once opened, do not reclose, and do not store the product in the tube. Do not split one tube between dogs. Do not use multiple tubes on one dog. Might cause death if used by the wrong species or if the wrong dose is used. In the event of ingestion, call a poison control center immediately.

HOW TO OPEN:

To use, twist the cap counterclockwise until it clicks. The cap will stay up, but it will snap closed if pressure is applied. To open, press the cap down firmly to apply all of the solution to the dog's skin, as directed below. Repeat every 4 weeks. If signs persist, consult a veterinarian immediately. If your dog is exhibiting signs of and/or are being treated for skin dermatitis, talk to your vet before applying any topical flea and tick control product. Some dogs may experience temporary startle effects when any product is applied. Sensitivities may occur after using any product, particularly in dogs with a history of skin, eye, or nose allergies.

DO NOT USE ON CATS. May be toxic and potentially fatal if applied to or ingested by cats.

STORAGE AND DISPOSAL:

Do not remove tube from the pack until ready to use. Store in a cool (below 77°F/25°C), dry place out of reach of children. Do not refrigerate. Protect from direct sunlight.

For Dogs Weighing Between 40-60 lbs: Apply one tube (45 mL [1.5 fl oz] from the back of the neck to the tail) to the back of the neck where the coat is thick and tight. For Dogs Weighing Over 60 lbs: Do not use this product on dogs weighing over 60 lbs.

TICKS

Fleas in as little as 1 hour

Flea larvae in as little as 3 hours

Flea eggs

Repels mosquitoes

KEEP OUT OF REACH OF CHILDREN

CAUTION

BEFORE EACH USE:

READ ENTIRE LABEL
