for small breeds 11 to 20 lbs.

PRECAUTIONARY STATEMENTS - HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: HAZARDS TO HUMANS:
Causes moderate eye irritation. Avoid contact with eyes and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

HAZARDS TO DOMESTIC ANIMALS:
For External Use Only. Do not use on cats, at least 3 months of age, or dogs that are known to be allergic to any pyrethrin-based products. Do not use on dogs with a history of sensitivity to pyrethrin-based products. Sensitivities may occur after using any pesticide product on a dog. Barriers may help reduce irritation. If your dog is exhibiting signs of and/or is being treated for skin dermatitis, talk to your vet before applying any additional treatment. Sensitivities may occur after using ANY pesticide product on pets. If signs of sensitivity occur, bathe your dog with mild soap and rinse with large amounts of water. If signs continue, call a veterinarian immediately by calling 1-800-781-4738.

FIRST AID:
If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, and then continue rinsing. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-781-4738 for emergency medical treatment information.

PHYSICAL OR CHEMICAL HAZARDS:
Combustible: Do not use or store near heat or open flame.

DIRECTIONS FOR USE
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Do not get this product in your pet's eyes or mouth. Do not apply more often than once a month. Use only on Dogs. FOR EXTERNAL USE ON DOGS ONLY. Do not use on puppies less than 13 weeks of age. Wipe your dog to be sure you are applying the right dose formulated for the weight of your pet. Do not treat your pet's ears with more than one pesticide product at a time. Over dosing your animal can result in various illnesses and even death. Block your pet from other dogs until the solution has dried. Beware of other pets and objects that may cause harm. DO NOT USE ON CATS or animals other than dogs. Separate the treated dog from all other dogs and cats for 24 hours after treatment has been applied. Cats or dogs that actively groom or engage in close physical contact with treated dogs may be at risk of Serious Harm. If your dog is exhibiting signs of and/or is being treated for skin dermatitis, talk to your vet before applying any additional treatment. Sensitivities may occur after using ANY pesticide product on pets. If signs of sensitivity occur, bathe your dog with mild soap and rinse with large amounts of water.

HOW TO APPLY:
Pour product directly from the package. Separate one tube from the others. Holding the tube with both hands, but still keeping it attached to the package, invert the tube over your dog's shoulder blades. Point the narrow end of the tube up and away from the face and body, cut off the narrow end at the notches with scissors. While holding the animal with one hand, use the other hand to apply the solution. Invert the tube and use the narrow end to part the animal's hair while gently squeezing to apply to the animal's skin. Hold the animal for a few seconds to give the solution time to be absorbed into the animal's coat. When finished, wrap the tube in paper and put into the trash.

FOR USE ON DOGS: Weighing 11 to 20 LBS.:

STORAGE AND DISPOSAL
PESTICIDE STORAGE: Do not remove tube from the pack and ready to use. Store in a cool (below 80°F), dry place out of reach of children. Do not refrigerate. Product from direct sunlight. PESTICIDE DISPOSAL AND CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. Wipe container clean with soap and water and throw away. Place in trash or offer for recycling if available. If partly refilled, call your local solid waste agency for disposal instructions. Never pour unused product down any indoor or outdoor drain.
