**Open/Close Algistat**

Prevents Algae

**DIRECTIONS FOR USE**
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**WHY YOU SHOULD USE THIS PRODUCT:**
This product will prevent the growth of algae for complete pool enjoyment. This product is a key component to the POOLIFE® and POOL Breeze® systems. Open/Close Algistat is convenient and easy to use. For best results, use with either POOLIFE® and POOL Breeze® pool care products. Take a pool water sample to your authorized pool supply dealer regularly for a detailed water analysis.

**HOW TO APPLY:**
Add product either directly to pool or through the skimmer while pump is in operation according to the dosage tables below.

**Pool Opening**
To prevent visible algae from growing in your pool:
1. Add Start-up Dosage (see table below) of this product to establish level needed to begin protecting pool.
2. Continue with sanitizer system treatment.

**Pool Closing**
1. Add a Pool Closing dose of this product according to the table below. Follow recommended pool closing procedure.

**ACTIVE INGREDIENT:**
Zinc Sulfate Monohydrate ............... 98.0%

**INERT INGREDIENTS:**
Total: 100.0%

Contains 35.5 % elemental zinc

**KEEP OUT OF REACH OF CHILDREN**

**DANGER**

**FIRST AID**

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

**NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage.

**IN CASE OF EMERGENCY CALL:**
1-800-654-6911

For emergency information on this product you may also call the National Pesticides Information Center at 1-800-858-7385, 8:30 AM to 4:30 PM Pacific Time (PT), seven days a week. During other times, call the poison control center: 1-800-222-1222
