Si sucede, no intente lavarse la cara, busque a alguien que sepa qué hacer y tome medidas en detalle.

R0840-1
Directions for Use: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Not for cleaning or sanitizing skin. Do not use as a diaper wipe or for personal cleansing. For surfaces that may come in contact with food, a potable water rinse is required. Avoid contact with clothes, fabric, wood, natural rubber, and painted and paper surfaces. Do not use on silver or chipped enamel. APPLY CAREFULLY — This product contains bleach.

To Clean and Disinfect hard, nonporous surfaces: Wipe surface to be disinfected. Use enough wipes for treated surface to remain visibly wet for the contact time listed below. Let air dry. Gross soiling should be removed prior to disinfecting.

Bacteria: Staphylococcus aureus¹, Salmonella enterica², Escherichia coli.³
Viruses: Rhinovirus type 37, Influenza A virus¹.
Mold, Mildew, Fungi: Aspergillus niger¹, Trichophyton mentagrophytes².
30 seconds contact time - 1 minute contact time - 5 minute contact time

Mode of Death: The use of this product in a manner different to the specified in the label constitutes a violation of the federal law. Air blow to desired and apply to a baby's diaper. For superficial spills that can occur in contact with the food, a potable water rinse is required. Avoid contact with clothes, fabric, wood, natural rubber, and painted and paper surfaces. Do not use on silver or chipped enamel. APPLY CAREFULLY — This product contains bleach.
