**APPLICATION DIRECTIONS**

**DETERMINED TURF**

**ESTABLISHED TURF**

**Crabgrass Preventer .375% Plus**

**ENVIRONMENTAL HAZARDS**

**EPA EST. NO. 84156-CAN-2 (Lot begins 2)**

**EPA EST. NO. 41124-OH-1 (Lot begins O)**

**EPA EST. NO. 41124-WI-1 (Lot begins W)**

**GENERAL APPLICATION GUIDELINES:**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**KEEP OUT OF REACH OF CHILDREN**

**CAUTION**

See the following section, Precautionary Statements, for additional information.

**ACTIVE INGREDIENT:**

Prodiamine, [(N,N-dimethyl)-2,4-dinitro-6-(trifluoromethyl)-m-phenylenediamine] 0.375%

**INERT INGREDIENTS:**

TOTAL: 99.625%

**For selective preemergence control of grass and broadleaf weeds in:**

Established turf grasses (excluding golf course putting greens) and lawns

Landscape ornamentals (including established perennials & wildflower plantings)

Covers up to 16,390 square feet

**NOTICE TO USER:**

This product is a selective preemergence herbicide that provides residual control of many grass and broadleaf weeds in:

For a medical emergency involving this product call: 1-866-944-8565.

**APPLY UNIFORMLY WITH SUITABLE, CALIBRATED APPLICATION EQUIPMENT.**

**CONTAINER DISPOSAL**

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

If material is spilled: Contain and sweep up material of spill for disposal or use per label instructions. Wash cleanup equipment to prevent contamination elsewhere. Excess quantities above normal application rates could result in damage to plants subject to spill. Water-in-rain, wind, or spray, can delay the effectiveness of this product. Do not attempt to wash down equipment. Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Take off contaminated clothing and wash skin thoroughly with soap and water. Take off and wash any contaminated clothing before reusing. Do not contaminate water, food, or feed by storage or disposal. Do not contaminate water, food, or feed by storage or disposal. Do not contaminate water when disposing of equipment washwaters.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal.

**STORAGE:**

Store in original container away from other fertilizer, feed, or food stuffs and separated from other pesticides.

**PESTICIDE DISPOSAL:**

Inert materials resulting from the use of this product are not hazardous to aquatic organisms in adjacent sites. Do not contaminate water when disposing of equipment washwaters. If material is spilled: Contain and sweep up material of spill for disposal or use per label instructions. Wash cleanup equipment to prevent contamination elsewhere. Excess quantities above normal application rates could result in damage to plants subject to spill. Water-in-rain, wind, or spray, can delay the effectiveness of this product. Do not attempt to wash down equipment. Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:**

Nonrefillable container. Do not reuse or refill this container. Completely empty bag.

**STORAGE:**

The product is a selective preemergence herbicide that provides residual control of many grass and broadleaf weeds in:

Established turf grasses (excluding golf course putting greens) and lawns

Landscape ornamentals (including established perennials & wildflower plantings)

Covers up to 16,390 square feet

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product is a selective preemergence herbicide that provides residual control of many grass and broadleaf weeds in:

Creeping Bentgrass 175 0.65
Creeping Red Fescue 200 0.75

This product is a preemergence herbicide and will not control emerged weeds. Most effective weed control in ornamentals... to shallow (1 to 2 inches) mechanical incorporation, prior to weed seed germination and within 14 days following application.

Buffalograss 267 1.0

Application Timing and Information

Apply this product at 175 to 400 lbs/A in fall and/or spring. Use higher rates of application for longer control... 400 lbs/A/yr.

Use Rates

This product may be applied for residual preemergence weed control in ornamentals. Rate (lb/A) Months Before Overseeding

| Product | Rate (lb/A) | Preemergence | Postemergence | Reapplied in

Suppression only. This product may be applied in late summer, fall or winter prior to germination.

When to Overseed After Application

This product will inhibit the germination of turf species if overseeded too soon after application. Follow rates and intervals in the table below for best overseeding results.

Suppression only. Sequential applications may be made so long as the total amount of product applied does not exceed the maximum annual application rates recommended for each turf species. All applications must be made prior to germination of the weed species.

Best weed control is obtained when this product is applied to soil free of clods, weeds, and debris such as leaves. Prior to application of this product, control existing vegetation by hand weeding, cultivation, or the use of an appropriate preemergence herbicide.

Established Landscape Ornamentals

This product may be applied to established ornamentals as a broadcast, over the top or directed application. Irrigation or rainfall soon after application will wash residues off plant foliage and activate this product in the soil.

Newly Transplanted Landscape Ornamentals

This product may be applied to newly transplanted ornamentals as a broadcast, over the top or directed application. Delay application to allow soil to settle around new transplants and water thoroughly before applying this product. Apply this product after cutting form roots and become established. Apply before budding/grafting or after buds/grafts have taken to avoid any inhibition of the tissue union.

Tolerant Ornamental Species

This product will not harm most trees, shrubs, vines and flowers. Best results will be obtained when this product is uniformly applied to the soil surface; avoid applying to ornamental shoots which may deface the effort to get uniform distribution on the soil surface. This product may be applied over the top of plants. When plants are under stress (such as heat, drought, or frost damage) some cultivars of plants may be sensitive to this product.

Do not use on food producing trees, vines, or plants. Not for use on container grown plants.

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

BEFORE BUYING OR USING THIS PRODUCT, read the entire Directions for Use and the following Conditions of Sale and Limitation of Warranty and Liability. By buying or using this product, the buyer agrees to accept the following Conditions of Sale and Limitation of Warranty and Liability, which no employee or agent of LOVELAND PRODUCTS, INC. or the seller is authorized to vary in any way.

Follow the Directions for Use of this product carefully. It is impossible to eliminate all risks inherent-ly associated with the use of this product. Crop or other plant injury, ineffectiveness, or other unfor-seen consequences may result from such risks as weather or crop conditions, interaction with other chemicals not specifically identified in this product's label, or use of this product contrary to the label instructions, all of which are beyond the control of LOVELAND PRODUCTS, INC. and the seller. The buyer or user of this product assumes all such inherent risks.

Subject to the foregoing inherent risks, LOVELAND PRODUCTS, INC. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use when the product is used in strict accordance with such Directions for Use under normal con-ditions. LOVELAND PRODUCTS, INC. makes no other warranty, express or implied, including but not limited to merchantability, fitness for a particular purpose, or eligibility of this product for any particular trade usage.

In the unlikely event that Buyer or User believes that Loveland Products, Inc. has breached a warranty, Buyer or User must provide written notice of its claim to the following address: LOVELAND PROD-UCTS, INC., ATTENTION: LAW DEPARTMENT, P.O. BOX 1286, GREELEY, CO 80632-1286.

To the extent consistent with applicable law, the Buyer's or User's exclusive remedy for any injury, loss, or damage resulting from the handling, use or product of this product, including but not limited to claims of breach of warranty or contract, negligence, breach of statutory duty, or other torts, shall be limited to the one of the following, at the election of Loveland Prod-ucts, Inc. or the Seller: DIRECT DAMAGES NOT EXCEEDING THE PURCHASE PRICE OF THE PRODUCT OR REPLACEMENT OF THE PRODUCT. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, LOVELAND PRODUCTS, INC. MAKES NO OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO MECHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ELIGIBILITY OF THIS PRODUCT FOR ANY PARTICULAR TRADE USAGE.
