Read Warning on side panel before using or if these harm or are not acceptable, return at once unopened.

FIRST AID

IF IN EYES

- Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call poison control center or doctor for treatment advice.

IF ON SKIN OR ON CLOTHING

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15 to 20 minutes.
- Call poison control center or doctor for treatment advice.

IF SWALLOWED

- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

IF INHALED

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible.
- Call a poison control center or doctor for further treatment advice.

NOTICE TO PHYSICIAN

- Probable mucosal damage may contaminate the use of gastric lavage. Corrosive to eyes and skin.

PRECAUTIONARY STATEMENTS

Hazard to humans and domestic animals

DANGER

CORROSIVE: Causes skin burns. Causes irreparable eye damage. Harmful if inhaled through skin. Harmful if swallowed. Do not get on eyes, on skin, or on clothing. Avoid breathing spray mist. Wear protective eyeglasses (goggles or face shield), covers worn over long-sleeved shirt and long pants, socks, chemical-resistant footwear, and chemical-resistant gloves. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or the toilet. Remove and wash contaminated clothing before reuse.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Applicants and other handlers should wear:
- Coveralls over long-sleeved shirt and long pants.
- Chemical-resistant footwear plus socks.
- Goggles or safety glasses with face shield.
- Chemical-resistant gloves (such as barrier lentilex, nitrile rubber, neoprene rubber and vinyl).
- Respirator with an organic vapor-removing cartridge with a prefilter approved for pesticides (MЕ45/4500 or МЕ45/0500) or a N95 approved respirator with an organic vapor (OVP) cartridge or canister with any R, P, or N R prefilter.

USER SAFETY REQUIREMENTS

- Follow manufacturers instructions for clean/maintaining PPE. If no such instructions exist for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.
- Discard clothing and other absorbent materials that have been drenched or heavily contaminated with this product's concentrate. Do not reuse them.

USER SAFETY RECOMMENDATIONS

User should:
- Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.
- Remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.
- Remove personal protective equipment immediately after handling this product. Wash outside of gloves before removing. As soon as possible wash thoroughly.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and shrimp. Do not apply directly to water. Do not contaminate water when disposing equipment wastes. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permit authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of Environmental Protection Agency.

PHYSICAL OR CHEMICAL HAZARDS

COMBUSTIBLE - Do not use near, pour, spill, or store near heat or open flame.

IN CASE OF FIRE

Use water spray of fog, foam, dry chemical or carbon dioxide to extinguish fire.

LIMIT OF WARRANTY AND LIABILITY

We warrant this material to comply with our published specifications and to be of good merchantable quality and such as will regularly pass in the trade for goods within the description, and further warrant such goods to be fit for the normal purposes for which goods are used. We assume no responsibility that the goods contained in this contract is fit for any particular purpose for which they are being bought outside of the general purposes of goods of the description.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Storage: Store in a closed, properly labeled container in a cool place. If static generating conditions exist, provide necessary grounding and bonding. Keep containers closed when not in use.

Pesticide Disposal: Pesticide wastes are acute hazardous. Improper disposal of excess pesticides, spray mixture, or residue is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Handling: Nonrefillable container. Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Hose rinse as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container with water. Replace and tighten closures. Tip container on its side and roll it back and forth ensuring at least one complete revolution for 30 seconds. Stand the container on its end and tip it back and forth several times. Turn the container over onto its other end and do it back and forth several times. Empty the rinse into application equipment or a mix tank or rinseable for later use or disposal. Repeat this procedure two more times. Then offer for recycling if available.
