**GENERAL INFORMATION**

**PROMAX™** is a protective and curative soil fungicide and nematicide recommended for control of soil born diseases and plant parasitic nematodes on a broad range of crops. Best results are achieved when used in a preventative program following recommended rates and application directions. **PROMAX™** controls harmful soil born diseases and plant parasitic nematodes through contact activities. Carefully read, understand and follow these label directions.

This product has not been registered by the US Environmental Protection Agency. Bio Huma Netics®, Inc. represents that this product is NOP compliant and qualifies for exemption from registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA).

**CAUTION PRECAUTION**

**KEEP OUT OF REACH OF CHILDREN**

**MIXING AND APPLICATION INSTRUCTIONS**

**SHAKE WELL BEFORE USING. THIS PRODUCT WILL SEPARATE. CONSTANT TANK AGITATION IS REQUIRED TO INSURE A HOMOGENOUS SPRAY MIXTURE.**

Apply spray solution in properly maintained and calibrated equipment capable of delivering the desired volumes.

This product mixes readily with water. To prepare the spray mixture, fill the mix or spray tank with three-fourths of the required amount of water then add the proper amount of **PROMAX™**. Complete filling the mix or spray tank with the balance of water needed. Mix well continually stirring. Determine compatibility prior to mixing by performing a jar test using **PROMAX™** with three-fourths of the required amount of water and add the proper amount of water. Carefully read, understand and follow these label directions.

**APPLICATION METHODS**

- **Apply as a preventative or curative up to 1 gallon of product to the soil in a minimum of 20 gallons (broadcast spray) of water per acre.**
- **Use lower rate as a preventative or on light pest infestations and higher rate on heavy infestations or as a curative.**
- **Repeat application every 15 to 20 days for disease and nematode control as indicated on the chart.**
- ****PROMAX™** may be applied at any time up to and including the day of harvest.**

**STORAGE AND HANDLING PRECAUTIONS**

- **Store in a cool, dry, well-ventilated area, away from incompatible materials and products.**
- **To protect eyes and skin from contact with this product, applicators and other handlers must wear a long-sleeved shirt, long pants, shoes and socks, protective eyewear and chemical resistant gloves made of neoprene, nitrile or natural rubber.**
- **Avoid breathing vapors, aerosols or mists.**
- **Use with adequate ventilation.**
- **Do not take internally.**
- **Keep the container tightly closed when not in use.**
- **Wash thoroughly with soap and water, after handling this product.**

**FIRST AID MEASURES**

**INGESTION:** If swallowed, DO NOT induce vomiting. Get medical attention as soon as possible.

**SKIN CONTACT:** In case of contact, immediately flush skin with plenty of clean running water for at least 15 minutes. Get medical attention as soon as possible.

**EYE CONTACT:** In case of contact, immediately flush eyes with plenty of clean running water for at least 15 minutes, while removing contaminated clothing and shoes. If burn or irritation occurs, call a physician.

**INHALATION:** If inhaled, immediately move to fresh air. If not breathing, give artificial respiration. Do not use mouth-to-mouth method if victim ingested or inhaled the substance; use the Holger Nielsen method (back pressure-arm lift) or proper respiratory device. If breathing is difficult, give oxygen. Call a physician.

**CAUTION:** KEEP OUT OF REACH OF CHILDREN

**Disposal Considerations:** If this product is disposed of as shipped, it does not meet the criteria of a hazardous waste as defined under 40 CFR 261, in that it does not exhibit the characteristics of a hazardous waste of Subpart C, nor is it listed as a hazardous waste under Subpart D due to toxicity. As a non-hazardous liquid waste, it should be disposed of in accordance with all local, state, and federal regulations. Consult state or local officials for proper disposal method.

**CAUTION:** KEEP OUT OF REACH OF CHILDREN

**Conditions of sale:** The information contained on this label is believed to be accurate and reliable. Buyer and user acknowledge and assume all liability resulting from the use of this material. Follow directions carefully. Timing, method of application, weather, crop conditions and other factors are beyond the control of the seller.
