FIRST AID
For Cats and Kittens weighing less than 2 lb.

If In Eyes
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 3 minutes, then continue rinsing eye.

If On Skin
Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If Swallowed
Call poison control center or doctor immediately for treatment advice.

HOT LINE NUMBER
Have the product container or label with you when calling the poison control center or doctor for treatment advice.

SIDES EFFECTS: Monitor your cat after application. Accidental ingestion by the cat may cause intermittent excess salivation. Other immediate post-treatment observations may include licking the face, shaking the head and spouting. These effects should disappear within several minutes following exposure without requiring treatment. If these or other side effects occur consult a veterinarian immediately.

STORAGE AND DISPOSAL
PESTICIDE STORAGE: Store in a cool, dry place inaccessible to children and pets. PESTICIDE DISPOSAL AND CONTAINER HANDLING: If empty, do not reuse the container. Place in trash or for recycling if available. If partly filled, call your local solid waste agency for disposal instructions. Never place unused products down any indoor or outdoor drain.

Active Ingredient:
Indoxacarb: 
(5)-methyl 7-chloro-2,5-dihydro-2-[[[(methoxycarbonyl)[4-trifluoromethoxy]phenyl]amino]-carbonyl]-indeno[1,2-e][1,3,4]oxadiazine-4a(3H)-carboxylate ...... 19.53%
Other Ingredients: ............ 80.47%
