Spot-On for Dogs and Puppies

For Dogs and Puppies 8 weeks and older weighing over 14 lb and up to 22 lb ONLY

First Aid:

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a physician if irritation persists.

If on Skin: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If Swallowed: Call poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor.

If In Eyes:

Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Consult a veterinarian immediately.

If On Skin:

Rinse skin immediately with plenty of water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Consult a veterinarian immediately.

If In Mouth:

If solution is ingested, give a glass of water. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

Special Precautions:

It is a violation of Federal Law to use this product in a manner inconsistent with its DIRECTIONS FOR USE.

It is a violation of Federal Law using any pesticide product. Consult a veterinarian immediately. Certain medications can interact with pesticides.
