MESSINA WILDLIFE'S

ANIMAL STOPPER

SAFE, ORGANIC, PLEASANT TO USE

RTU
Ready To Use. Can Be Used to Refill Pump Sprayer. Will Cover Approximately 4,000 SQ. FT.

This product is a highly effective formula for preventing armadillo, gopher, groundhog, rabbit, raccoon and skunk damage to all shrubs, flowers, edible crops and turf areas. This product works by smell, taste and feel.

**DIRECTIONS**

1) Shake container well before using.

2) Pour product into a trigger sprayer, pump sprayer or any type of spray applicator.

3) Product is ready to use and does not need to be mixed or diluted.

4) Apply a fine mist to the plants that need protection, making sure all parts are covered. **DO NOT OVERSPRAY PLANTS.** Saturate ground and burrowing holes to prevent animal entry and nesting.

5) Allow 20 minutes for this product to dry before watering of any kind.

6) This product can be applied in any climate or temperature as long as spray head and liquid are not frozen.

7) Repeat application as needed, usually every 30 days.

8) Product has an approximate shelf life of 5 years if not used when opened. Tighten cap all the way before storing.

9) If product freezes, return to room temperature and use according to directions.

**CAUTION: KEEP OUT OF THE REACH OF CHILDREN.** Store at room temperature. To reduce contact with skin, always wear gloves when handling. In case of eye contact or prolonged exposure to skin, flush thoroughly with water to reduce irritation. If swallowed, drink a glass of water. Buyers guarantee limited to label claims. When finished with contents, rinse this container and recycle.
