STRATEGO® Fungicide

EPA Reg. No.: 264-779

For use on: Filberts

Supplemental Label

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read this label and the product package label before using this product. This Supplemental Label must be in possession of the user at the time of pesticide application. Follow all applicable directions, restrictions, Worker Protection Standard requirements, and precautions on the registered product package label for STRATEGO® Fungicide.

**Note:** Begin applications preventatively or when green leaf tissue becomes visible. Continue throughout the season using a 14 to 21-day spray interval. Strategro Fungicide may be applied by ground or air.

**Restrictions:** Do not apply more than 30.4 fl.oz. of Strategro Fungicide per acre per year. Do not apply within 60 days of harvest. Do not apply more than 2 sequential applications of Strategro Fungicide before alternating with a fungicide that has a different (not Group 11) mode of action. Do not make more than 2 applications of Strategro Fungicide per acre per year. Do not graze livestock in treated areas or cut treated cover crop for feed.
