READ ENTIRE LABEL BEFORE EACH USE. USE ONLY ON HORSES OR DOGS

PRECAUTIONARY STATEMENTS – HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if absorbed through skin. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or touching the toilet. All handlers must wear long sleeved shirt and long pants, socks and shoes. Remove and wash contaminated clothing before reuse. For external use only. Do not use on animals under three months of age or on sick, old, debilitated or medicated pets. Do not apply to horses or foals intended for slaughter. Do Not Use on Cats. Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

May occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

FIRST AID

IF ON SKIN
• Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15 to 20 minutes. • Call a poison control center or doctor for treatment advice.

IF IN EYES
• Have the product container or label with you when calling a poison control center or doctor, or going for treatment. In case of medical emergency, you may call 1-800-234-2269 24 hours a day, 7 days a week.

IF INHALED
• Remove victim to fresh air. If not breathing, give artificial respiration. If breathing is not resumed, call a doctor quickly.

IF SWALLOWED
• Do not induce vomiting unless told to do so by a doctor or poison control center.

KEEP OUT OF REACH OF CHILDREN

CAUTION

Do not contaminate water, food, or feed with pesticide. PESTICIDE STORAGE: Store in a cool, dry (preferably locked) area that is inaccessible to children and pets and away from heat, sparks, or open flames.

Storage and Disposal

Do not contaminate water, food, or feed with pesticide. PESTICIDE STORAGE: Store in a cool, dry (preferably locked) area that is inaccessible to children and pets and away from heat, sparks, or open flames. Store pesticides away from food, pet food, feed, seed, fertilizers, and veterinary supplies. PESTICIDE DISPOSAL AND CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. If empty, Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

ENVIRONMENTAL HAZARDS

This pesticide is extremely toxic to aquatic organisms, including fish and invertebrates. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

This pesticide is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are foraging the treatment area.

PHYSICAL AND CHEMICAL HAZARDS

Do not use this product in or on electrical equipment due to the possibility of shock hazard.

KILLS AND REPELS
Stable flies, horse flies, face flies, deer flies, house flies, horn flies, mosquitoes, gnats, ticks, fleas, chiggers, and lice.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Use Restrictions: Do not apply directly to any animals destined for milking or slaughter. Do not use on foals under 3 months of age. Do not contaminate water, food or feed, milk or milking utensils.

For Horses Use Full Strength. This non-oily insecticide repellent may be applied with a trigger spray applicator, or as a wipe. Kills and repels stable flies, horse flies, face flies, deer flies, house flies, horn flies, mosquitoes, gnats, ticks, fleas, chiggers, and lice.

DIRECTIONS FOR TRIGGER SPRAY USE: Remove excess dirt and dust. Do not apply to the face of animals. Apply at a maximum rate of 1 ounce per 100 pounds of weight. Do not spray to the point of run-off.

DIRECTIONS FOR WIPE-ON USE: Remove excess dirt and dust. Do not apply to the face of animals. Apply at a maximum rate of 1 ounce per 100 pounds of weight. Do not spray to the point of run-off.
