Directions for use:
It is a violation of Federal law to use this product that is inconsistent with its labeling. This product is intended to repel Norway Rats from the MintX Stretch Film resulting in undamaged and uncontaminated contents within the film. Dispose of discarded Stretch Film as specified on this label. The MintX Stretch Film may be used in and around pallet storage areas. MintX Stretch Film can be used with standard manual wrapping devices as well as automated pallet wrapping mechanisms. Use this product in the same manner as standard stretch film.

Notes:
Keep all loose plastic material away from babies and children.

EPA Reg. No. 85589-1
EPA Est. No. 85589-U-01
