INSTRUCCIONES DE USO
Se consideran violaciones a la ley federal usar este producto con otros fines que los indicados en la etiqueta.
No use esta aplicación en el punto que gotee.
No recicle aplicaciones cuando llueva.
Todas las aplicaciones en extremos deben limitarse a tratamientos focales, gaseos y
utilización unicamente, excepto para los siguientes usos permitidos:
1) Tratamiento para tierra o vegetación alrededor de estructuras;
2) Aplicaciones aéreas o espacios grutas y otras vegetación;
3) Aplicación para cimientos de construcción hasta una altura máxima de 1 metro
A menos que sean para cimientos de construcción, todas las aplicaciones en exteriores a superficies
impregnadas, como aceras, caminos de entrada, patios, porches y superficies estructurales (como ventanas, puentez y aleros) están limitadas a tratamientos focales, gaseos y tendrán unicamente

ROCIADOR COMFORT WAND™
- Retire el dispositivo de aplicación Comfort Wand™ del gancho lateral
- Desenrosque la manguera por completo
- Inserte el tapón roto al final de la manguera en la boquilla blanca de la tapa hasta que haga clic.
- Abra la boquilla hacia arriba.
- La boquilla debe permanecer hacia arriba al rociar
- Mantenga el dispositivo de aplicación Comfort Wand™ abierto hasta que quede asegurado.
- Gire la boquilla en el extremo del dispositivo de aplicación Comfort Wand™ hacia el panel de rociado deseado.
- Antes de comenzar a rociar, asegúrese de que el seguro del gatillo no esté accionado.
- Sostenga el gatillo blanco para un rociado continuo.

COMO APLICAR/USAR
Lea las Ilustraciones e Instrucciones anteriores. Gorra la boquilla en el extremo del dispositivo de aplicación Comfort Wand™ hacia el panel de rociado deseado. Déjela el dispositivo de aplicación Comfort Wand™ lejos de su cuerpo y sostenga el gatillo blanco para un rociado continuo. Libere el gatillo para detener el rociado.

Después de usar: Gire la boquilla a la posición OFF (CERRADO). Active la tapa de la boquilla. Cierre el dispositivo de aplicación Comfort Wand™ y guídelo en el gancho lateral.

Información importante de uso: No sumerja en agua. Si guarda el rociador durante largos periodos, retire las pilas.

Cómo cambiar las pilas: Abra el compartimiento de las pilas que se encuentra en la parte inferior del dispositivo de aplicación Comfort Wand™. Retire las pilas usadas y coloque cuatro pilas AA nuevas en la posición correcta. Compruebe que las pilas se encuentran en el compartimento de pilas. Cierre bien la puesta del compartimiento de pilas. Cuando cambie las pilas, siempre use un juego completo del mismo tipo de pilas. Nunca mezcle pilas alcaldinas, del tipo zinc-carbono y recargables.

STORAGE AND DISPOSAL
PESTICIDE STORAGE: Flip down white spine on cap. NO NEED TO DISCONNECT SPRAYER HOSE FROM CAP. Completely disassemble/depense product in sprayer prior to storage. Twist sprayer nozzle to the OFF position. Engage trigger lock. Flip the Comfort Wand™ closed and place sprayer back on side trip. Store this product in its original container, in a secure area. Protect container from freezing.

PESTICIDE DISPOSAL: If empty, Non-refillable container. Do not reuse or refill this container. Place in trash for recycling if available. If partially filled, Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS
- CAUTION: Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wear Long-sleeved shirt and long pants, socks, shoes, and gloves. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

This pesticide is extremely toxic to fish, aquatic invertebrates, birds, and reptiles. To protect the environment, do not allow pesticide to enter or run off into storm drain, drainage ditches, gutters or onto water. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Dust and runoff from treated areas may be hazardous to aquatic organisms in neighboring areas. Core should be used when spraying to avoid fish and reptile kills in areas on or around ornamental ponds. This product is highly toxic to bees exposed to direct treatment or residues on blooming flowers. Do not apply this product or allow it to drift to blooming plants if bees are visiting the treatment area.

PHYSICAL OR CHEMICAL HAZARDS
This product contains a flammable substance. Do not apply this product or operate electrical equipment due to the possibility of shock hazard.

NOTICE: To the extent consistent with applicable law, buyer assumes all risks of use, storage or handling of this product not in accordance with directions.

FIRST AID
If swallowed:
- Call poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by the poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

If in eyes:
- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

HOTLINE NUMBER: Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-225-8883 for Emergency Assistance.

NOTE TO PHYSICIAN: Emergency Information - Call 1-800-225-8883.

THE ORTHO GUARANTEE: If for any reason you, the consumer, are not satisfied with this product, mail us your original proof of purchase to obtain a full refund of your purchase price.

Ortho & Your Environment: Your home and yard are places for family and pets to enjoy. That's why Ortho® products are designed with care to provide effective solutions to insect problems inside and outside your home. Follow instructions for proper usage, storage and disposal.
STORAGE AND DISPOSAL

PESTICIDE STORAGE:
Flip down white spout on cap. NO NEED TO DISCONNECT SPRAYER HOSE FROM CAP. Completely discharge/dispense product in sprayer prior to storage. Twist sprayer nozzle to the OFF position. Engage trigger lock. Flip the Comfort Wand™ closed and place sprayer back in side clip. Store this product in its original container, in a secure area. Protect container from freezing.

PESTICIDE DISPOSAL:
If empty: Non-refillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.
If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
