**How to use:**

1. Remove product tubes from the package. Separate one tube from the others. Hold the tube with notches along the line.

2. Invert tube over dog and use open end to part dog’s hair. Squeeze tube firmly to apply all of the solution to the dog’s skin, as directed below. Do not apply more often than once every 4 weeks.

3. If on skin: Wash with plenty of soap and water. Get medical attention if irritation persists.

4. If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor if irritation persists.

5. If swallowed: Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. Do not give anything by mouth to an unconscious person. Do not give anything by mouth to an unconscious person. Do not give anything by mouth to an unconscious person.

**PRECAUTIONARY STATEMENTS**
