Assail® 30SG Insecticide
EPA Reg. No. 8033-36-70506

Instructions for use on CLOVER
in the States of Idaho, Oregon, and Washington only

It is a violation of federal law to use this product in a manner inconsistent with its label. This supplemental label and the federally registered label must be in the possession of the user at the time of pesticide application. Follow all applicable directions, restrictions, Worker Protection Standard requirements, and precautions on the EPA registered label.

Directions For Use on CLOVER (for use in ID, OR, and WA only)

SPRAY VOLUME FOR CLOVER: Apply in a minimum finished spray volume of 5 gallons per acre by air or 20 gallons per acre by ground.
