Have the product container or label with you when you call a poison control center,
doctor or when going for treatment.

IF IN EYES:
Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove
contact lens, if present, after the first 5 minutes, then continue rinsing. Call poison
control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING:
Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-
20 minutes. Call a poison control center or doctor for further treatment advice.

IF SWALLOWED:
Call poison control center or doctor immediately for treatment advice. Have person
sip a glass of water if able to swallow. Do not induce vomiting unless told by poison
control center or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED:
Move person to fresh air. If person is not breathing, call 911 or ambulance, then
give artificial respiration, preferably mouth to mouth. Call a poison control center or
doctor for further treatment advice.

In case of accidental exposure, call
CHEMTREC 1-800-424-9300
