FIRST AID
Have the product container or label with you when calling a poison control center or doctor for treatment. You may also contact the Hotline Number 1-800-234-2269 for health concerns, emergency medical treatment information or pesticide incidents. If Swallowed: Call a poison control center, doctor, or HOT LINE NUMBER 1-800-234-2269 immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If On Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

TREATMENT FOR PET POISONING:
If animal eats bait, call veterinarian at once. NOTE TO PHYSICIAN OR VETERINARIAN: Contains the nerve poison Bromethalin. This is not an anticoagulant type rodenticide. For humans or animals ingesting bait or showing poisoning signs (such as muscle tremors, loss of hind limb use, or seizures for animals), limit absorption by either emesis or gastric lavage. Sublethal symptoms, if present, would be the result of cerebral edema and should be treated accordingly through administration of an osmotic diuretic and corticosteroid. Refer to Outer Container for Complete Directions for Use.

ENVIRONMENTAL HAZARDS:
This product is extremely toxic to mammals and birds. Dogs and other predatory and scavenging mammals and birds might be poisoned if they feed upon animals that have eaten this bait. Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Runoff may also be hazardous to aquatic organisms in water adjacent to treated areas. Do not contaminate water when disposing of equipment wash water or rinsate.

STORAGE & DISPOSAL: Do not contaminate water, food or feed by storage or disposal. PESTICIDE STORAGE: Store only in a cool, dry place inaccessible to children and pets. Keep containers closed and away from other chemicals. PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. Dispose of empty container by placing in trash, at an approved waste disposal facility or by incineration. In most states, burning is not allowed.

NOTE TO PHYSICIAN OR VETERINARIAN:
If animal eats bait, call veterinarian at once. If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment. You may also contact the Hotline Number 1-800-234-2269 for health concerns, emergency medical treatment information or pesticide incidents.
