ENVIRONMENTAL HAZARDS

This product is toxic in moderate to severe physical hazards. Do not allow water run-off to enter storm drain systems. Avoid releasing this product into surface and subsurface waters. Follow the advice of your State Water Quality Authority before disposing of this product as a liquid. Do not contaminate soil or aquifers with this product by applying improperly or allowing run-off or percolation to occur. Thoroughly clean application equipment immediately after use. See Spray Equipment Cleanout section in this label for complete details.

Thoroughly clean application equipment immediately after use. Add nonionic surfactant and other spray additives as the last ingredient in the tank. Allow time for full dispersion.

This product is a water dispersible granule designed to be diluted with water at the rates listed in the specific crop sections. Fill the spray tank with approximately 1/2 of the desired volume with water or carrier. Add one (1) water soluble bag of this product per 1 to 2 gallons of water in a hand-held or backpack sprayer. Add surfactant and other spray additives as the last ingredient in the tank. Allow time for full dispersion.

If rainfall or irrigation occurs within 4 hours after application, reduce effectiveness may occur.

For specific details, consult the use directions in crop sections for guidance.

**Post-emergent Weed Activity Note**

- **For Best Performance**
  - Mix at each application site rate, water, specified, control rates, or combination of rates correctly as directed on the label, or as specified, control rates, or combination of rates correctly as directed on the label.
  - Application rates for early post-emergent control annually and biennial weeds at the time of emergence or as specified, control rates, or combination of rates correctly as directed on the label.
  - To maximize the control of, use post-emergent applications labeled for non-selective burndown of emerged annual weeds, and do not apply more than 5-1/3 oz. by wt. of this product (0.25 lb. active ingredient) per acre per use season.
  - Do not apply this product through any type of irrigation system.
  - Do not make more than 2 applications per use season.
  - Do not apply this product to golf course putting greens.
  - Do not mow turfgrass for 2 days before or 2 days after application for best results.
  - Woody Ornamentals in Landscaped Areas
    - Refer to the spray additive label and observe all precautions, mixing and application instructions.
  - For turfgrass renovations, apply at 2/3 oz. by wt. per acre when planting and applying the herbicide mixture will not be applied to the area within 3 months after the transplanting.
  - The user assumes the responsibility for following all label use directions.

- **No. in Acre/Lim Suppression**
  - Apply 2/3 oz. by wt. per acre to non-selective pre-plant burndown of emerged annual weeds in turfgrass or vegetable crops.
  - Apply 2/3 oz. by wt. per acre to non-selective pre-plant burndown of emerged annual weeds in turfgrass or vegetable crops.

- **ROADSIDES, RIGHTS-OF-WAY, TANK FARMS, LUMBERYARDS, FUEL STORAGE AREAS, RAILROAD FAIRGROUNDS, RACE TRACKS, TENNIS COURTS, CAMPGROUNDS AND RIGHTS-OF-WAY**

- **LIMITATIONS**
  - Do not apply this product by air.
  - Do not apply this product through any type of irrigation system.
  - ingredient) per acre per use season.
  - Do not make more than 4 applications per use season.

- **STORAGE AND DISPOSAL**
  - Do not store under water, feed, or in mixed with other chemicals.
  - Do not store on top of wooden floors or other materials that may be damaged by the product.
  - Do not store near any other products that may be damaged by the product.
  - Do not store near any other products that may be damaged by the product.
  - Do not store near any other products that may be damaged by the product.

- **LIMITATION OF LIABILITY**

  - The directions for use of this product must be followed carefully. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, (1) THE GOODS DELIVERED TO YOU ARE FURNISHED “AS IS” BY MANUFACTURER OR SELLER AND (2) MANUFACTURER AND SELLER MAKE NO WARRANTIES, GUARANTEES, OR REPRESENTATIONS OF ANY KIND TO BUYER OR USER, EITHER EXPRESS OR IMPLIED, OR BY USAGE OF TRADE, STATUTORY OR OTHERWISE, WITH REGARD TO THE PRODUCT SOLD, INCLUDING, BUT NOT LIMITED TO MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, USE, OR ELIGIBILITY OF ANY WAY TO THESE GOODS.

  - The user assumes the responsibility for following all label use directions.

  - Refer to the glyphosate formulation label for important information in regards to the use instructions, additive requirements, weeds controlled, the size range of weeds that should be treated, and application restrictions.

  - Do not apply this product when turfgrass or nutsedge is under stress since turf injury and poor nutsedge control may occur.

  - Avoid contact of the spray containing this product to desirable flowers, ornamentals, shrubs or trees as discoloration, severe foliar injury or death may result.

  - When transplanted into landscaped areas treated with this product, flowers, ornamentals plants and shrubs may be injured.

- **Made in China, packaged in USA.**

- **WARNING**

  - The directions for use of this product must be followed carefully. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, (1) THE GOODS DELIVERED TO YOU ARE FURNISHED “AS IS” BY MANUFACTURER OR SELLER AND (2) MANUFACTURER AND SELLER MAKE NO WARRANTIES, GUARANTEES, OR REPRESENTATIONS OF ANY KIND TO BUYER OR USER, EITHER EXPRESS OR IMPLIED, OR BY USAGE OF TRADE, STATUTORY OR OTHERWISE, WITH REGARD TO THE PRODUCT SOLD, INCLUDING, BUT NOT LIMITED TO MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, USE, OR ELIGIBILITY OF ANY WAY TO THESE GOODS.
