DIRECTIONS FOR USE
It is a violation of federal law to use this product in a manner inconsistent with its labeling.
All surfaces should be thoroughly cleaned before sanitizing with FS-101 solution containing 100 ppm available chlorine. If possible, parts should be submerged for two minutes or more. DO NOT SOAK OVERNIGHT. See Proportions of Use.

FOR INDUSTRIAL USE ONLY
PROPORTIONS OF USE
To prepare a 100 ppm available chlorine solution use 1 level teaspoon per 2 gal. water or 1 oz. of FS-101 to 18 gal. water.

RECIRCULATION METHOD
Prepare 100 ppm available chlorine solution. Test to maintain a solution above 50 ppm available chlorine.

SPRAY METHOD
Spray all surfaces with 100 ppm available chlorine solution.

FOR BEST RESULTS
Sanitize equipment just before using. Follow the complete IBA Sanitation Program. Rinse empty container thoroughly with water and discard it.

LOCAL, STATE REGULATIONS
Where local or state regulations are in effect, consult rules or your local authorities.

ENVIRONMENTAL HAZARD
This product is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless it is in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer system without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL
STORAGE: Do not contaminate water, food or feed by storage or disposal. Do not store on site. Avoid creasing or impaling of site walls.
DISPOSAL: FS-101 wastes are acutely hazardous. Improper disposal of excess FS-101 mixture or rinseate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office.
Triple rinse (or equivalent), then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

PRECAUTIONARY STATEMENTS AND HAZARDS TO HUMANS AND DOMESTIC ANIMALS
DANGER, Corrosive. Causes irreversible eye damage. May be fatal if Inhaled. Harmful when swallowed or absorbed through skin. Do not get in eyes, on skin or clothing. Do not breathe dust. Wear goggles or face shield and rubber gloves when handling this product. Wash hands thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.
