PRODUCT DESCRIPTION: This product perfectly accompanies the SPA FROG® and @ease® Floating or In-Line Systems by starting up a freshly filled hot tub with an initial chlorine level. The effervescent action helps the chlorine dissolve faster and the fizz tells you it’s working! For best results use FROG Jump Start® after balancing the water and before using your FROG® System.

DIRECTIONS FOR USE:
For Residential Use:
To a freshly filled spa or hot tub add one packet for up to 500 gallons of water. After the product has bubbled for a few seconds turn on the high speed jets for one minute or until fully dissolved. Maintain a pH of between 7.2 and 7.8. Test water with a FROG or ease Test Strip to see if poised level of chlorine and pH has been reached. Reenter is prohibited above levels of 3 ppm chlorine due to risk of bodily injury.

PRECAUTIONARY STATEMENTS:
HAZARD TO HUMANS AND DOMESTIC ANIMALS:
DANGER: Corrosive: Causes irreversible eye damage and skin burns. Harmful if swallowed or absorbed through skin. May be fatal if ingested. Do not breathe dust or vapors. Irritating to nose and throat. Do not get in eyes, on skin or on clothing. Wear goggles or face shield, protective clothing and rubber gloves when handling this product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the restroom. Remove and wash contaminated clothing before reuse.

PHYSICAL OR CHEMICAL HAZARDS:
Corrosive: Strong oxidizing agent. Use only clean dry utensils. Mix only into water. Contamination with moisture, dirt, organic matter or other chemicals (including other hot tub chemicals) or any other foreign matter may start a chemical reaction with generation of heat, liberation of hazardous gases and possible fire and explosion. Avoid any contact with flaming or burning material such as a lighted cigarette. Do not use this product in any device which has been used with any inorganic or unstabilized chlorinating compound (e.g., calcium hypochlorite). Such use may cause fire or explosion.

ENVIRONMENTAL HAZARD:
This pesticide is toxic to fish and aquatic organisms.
