This product is exempt from registration with the Federal EPA under section 25 (b) of FIFRA. PureForce Contact Bug Eliminator has not been registered with the Environmental Protection Agency. PureForce represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide and Rodenticide Act.

CAUTION: With direct contact, causes moderate skin and eye irritation. Avoid contact with eyes, skin and clothing.

FIRST AID:
If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

EMERGENCY MEDICAL
INFORMATION:
1 800 328 0026, if located outside the United States and Canada, call collect 1 501 222 5352 (number is in the US).

DIRECTIONS FOR USE:
For use in and around but not limited to areas such as: Apartment buildings, atriums, bakeries, beverage plants, bottling facilities, breweries, cafeterias, candy plants, canneries, cereal processing and manufacturing plants, cruise ships, dairy barns, poultry facilities, flour mills, food plants, hospitals, hotels, houses, industrial buildings, kennels, kitchens, laboratories, manufacturing facilities, marinas, meat processing and packaging plants, meat and vegetable markets, Bakeries, nursing homes, office buildings, restaurants, retail buildings, schools, stores, supermarkets, warehouses, wholesale and other public buildings and similar structures, aircraft, buses, trucks, rail cars and marine vessels.

Application: Apply this product as a surface spray. This is a water-based product that provides contact kill when applied directly to crawling and flying insects. Including, but not limited to ants, cockroaches, bed bugs, spiders, house flies, fruit flies, and drain flies. For best results, apply in such a manner that insects are contacted directly with the liquid and become saturated. Repeat treatment as necessary.

This product can be used while your facility is in operation, eliminating the need for preparation and evacuation. Application Sites: May be used on countertops, food preparation areas and other places where pests are seen. After application wipe up product and dispose of the insects.

STORAGE & DISPOSAL:
Store at room temperature in original container. Do not reuse container. Dispose in trash or offer for recycling, if available.
