DIRECTIONS FOR USE:
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. USE ONLY IN WELL-VENTILATED AREAS. Before use, open windows and turn on fan(s). If vapors bother you, leave room while product is working. Avoid contact with clothes, fabric, unfinished wood, rubber, painted and paper surfaces. Prolonged contact with metal, old porcelain or worn plastic laminate may cause discoloration.

TO CLEAN AND DISINFECT HARD, NONPOROUS SURFACES:
Direct Application:
Directly apply with cloth and wet surfaces completely. Let stand 5 minutes. For heavily soiled surfaces, preclean surface before disinfecting.

TO REFILL SPRAY BOTTLE:
Twist trigger on spray bottle counterclockwise and pull upward to remove. Refill spray bottle. To replace trigger, align red-tipped tube on trigger over tube opening inside of the bottle. Press straight down on the trigger until it clicks into place.

STORAGE AND DISPOSAL:
Store this product in a cool area to avoid deterioration. In case of spill, flood areas with large quantities of water. Product or rinsates that cannot be used must be diluted with water before disposal in a sanitary sewer. Nonrefillable container. Do not reuse or refill empty container. Recycle empty container or discard in trash.

PRECAUTIONARY STATEMENTS:
HAZARDS TO HUMANS AND DOMESTIC ANIMALS.

WARNING:
EYE AND SKIN IRRITANT. Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Avoid contact with skin. Wear protective eyewear. Avoid contact with skin. Wear protective eyewear. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse. Harmful if swallowed. For sensitive skin or prolonged use, wear gloves. Vapors may irritate. Avoid prolonged breathing of vapors. Use only in well-ventilated areas. Not recommended for use by persons with heart conditions or chronic respiratory problems such as asthma, emphysema or obstructive lung disease.

FIRST AID: IF IN EYES:
Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

IF ON SKIN OR CLOTHING:
Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes.

IF INHALED:
Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. If Sniffling:
Call a poison control center or doctor immediately for treatment advice. Have person sip a glassful of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. Call a poison control center or doctor for further treatment advice. Have the product container or label with you when calling a poison control center or doctor or going for treatment.

PHYSICAL AND CHEMICAL HAZARDS:
This product contains bleach. Do not use or mix this product with other household chemicals, such as ammonia, toilet bowl cleaners, rust removers or acid, as this releases hazardous gases. CONTAINS NO PHOSPHOROUS.
