**ADAMS**

**Flea & Tick Spot On! For Dogs**

**DIRECTIONS FOR USE:**

1. Use Adams Flea & Tick Spot On for Dogs in a manner consistent with its labeling.

**IMPORTANT: READ ENTIRE LABEL BEFORE EACH USE.**

**FOR USE ONLY ON DOGS/PUPPIES (30 WEEKS OF AGE OR OLDER):**

To apply the treatment, use one disposable liquid tube with the applicator device.

1. **OPEN:** Use finger scoop to lift open door.

2. **LOAD:** Load, place tube WHITE SIDE UP under the blue tab.

3. **CLOSE:** Close the blue door and the tube will snap open.

4. **APPLY:** The dog/puppy should be standing for easy application. To apply the treatment, use one disposable liquid tube with the applicator device.

5. **DISPOSE:** Dispose of empty tube, open blue door and drop empty tube into trash or for recycling if available.

---

---

**STORAGE and DISPOSAL:**

- **Pesticide storage:**
  - This product is to be stored in a tightly closed container when not in use. Store in a cool, dry preferably locked area that is inaccessible to children and animals.
  - **Liquid Container Disposal:** If empty: Do not reuse tube. Place in trash or offer for recycling if available. If partially filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

---

**PRECAUTIONARY STATEMENTS – HAZARDS TO HUMANS AND DOMESTIC ANIMALS – CAUTION**

Do not use on dogs less than 6 lbs or puppies less than 10 weeks of age.

For external use only. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Repeated exposure to ethylphenoxynaproxen can cause skin irritation. Consult a veterinarian before using this product on debilitated, aged, pregnant, nursing, or animals on medication. Symptoms may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your dog/puppy with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Some dogs/puppies may experience hair loss or temporary skin irritation at the application site. If signs persist or become more severe, contact veterinarian immediately and report incident to company at 1-800-234-2269.

**FIRST AID:**

If in eyes: Hold eyes open and flush with water for 15-30 minutes. Remove contact lenses. If present, after first 5 minutes, then continue rinsing. Call poison control center or doctor for treatment advice.

**NOTICE:**

Have this product container or label with you when calling a poison control center or doctor for treatment advice.

**SIDE EFFECTS:**

Monitor your dog after application. Side effects may include signs of skin irritation such as redness, scratching, or other signs of discomfort. If these or other side effects occur, consult your veterinarian or call 1-800-234-2269.
