STORAGE and DISPOSAL: Pesticide Storage: Keep this product in its tightly closed original container when not in use. Store in a cool, dry, (preferably locked) area that is inaccessible to children and animals. Liquid Tube Container Disposal: If empty. Do not reuse tube. Place in trash or offer for recycling if available. If partially filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS – HAZARDS TO HUMANS AND DOMESTIC ANIMALS – CAUTION
DO NOT USE ON DOGS LESS THAN 6 LBS OR PUPPIES LESS THAN 10 WEEKS OF AGE. For external use only. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Repeated exposure to teratogens can cause skin irritation. Consult a veterinarian before using this product on dialatated, aged, pregnant, nursing, or animals on medication. Sensitivities may occur after using any pesticide product for pets. If signs of sensitivity occur, bathe your dog/puppy with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Some dogs/puppies may experience hair loss or temporary skin irritation at the application site. If signs persist or become more severe, contact veterinarian immediately and report incident to company at 800-234-2269.

FIRST AID: IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-30 minutes. Remove contact lenses, if present, after 5-15 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

HOTLINE NUMBER: Have the product container or label with you when calling a poison control center or doctor or going for treatment. For additional information on this pesticide product (including health concerns, medical emergencies, or pesticide incidents), you may also call 800-234-2269, 24 hours/day, 7 days/week.

SIDE EFFECTS: Monitor your dog after application. Side effects may include signs of skin irritation such as redness, scratching, or other signs of discomfort. Continue normal activities such as grooming or exercise have also been reported. If these or other side effects occur, consult your veterinarian or 800-234-2269.

Ergonomically contoured for easy handling
Will not drip after opening
Closing applicator door automatically opens tube

Tip parts hair to help get down to the skin.

Tip: Adams is for INDOOR USE ONLY. Do not allow Children to apply this product. Do not apply this product to poodles less than 10 weeks of age, and do not apply this product on other animals. Do not allow your dog/puppy to ingest this product. Apply this product once every 30 days unless a retreatment is not necessary. Do not make the repeat retreatment sooner than 8 days following the initial treatment. Do not use more than one tube per dog/puppy and do not retreat more than once per month.

This product works by application directly to the dog’s/puppy’s skin, not to the hair. When applying, use applicator device tip to part fur. Use Tip to part fur and get next to dog’s skin. Do not spread the liquid by hand over the dog. The tube will snap open.

Do not apply more than one tube per dog/puppy every 30 days unless a retreatment is not necessary. Do not make the repeat retreatment sooner than 8 days following the initial treatment. Do not use more than one tube per dog/puppy and do not retreat more than once per month.
