How to Open

1. Remove product tubes from the package.

2. Separate one tube from the others. Holding the tube with notched end pointing up and away from the face and body, cut off the narrow end at the notches with scissors.

Directions for Use

**How to Apply**

1. Invert tube over dog and use open end to part dog's hair. Squeeze tube firmly to apply all of the solution to the dog's skin as a spot on the dog's back between the shoulder blades.

2. Do NOT split tubes between pets.

3. Do NOT treat with more than one pesticide product at a time.

4. Separate amount of first treatment to at least 7 days before use of a second treatment

5. Do NOT treat with more than one pesticide product at a time.

**FREQUENCY OF APPLICATION**

For Dogs Up to 22 lbs (9.9 kg) - 1 application monthly.

**STORAGE AND DISPOSAL**

For use ONLY on Dogs & Puppies Over 8 Weeks of Age

PESTICIDE STORAGE:

Do not remove tube from the package until ready to use. Store in a cool (below 77°F) dry place inaccessible to children and pets. Do not refrigerate. Protect from direct sunlight.

CONTAINER DISPOSAL:

If empty:

Non-refillable container. Do not reuse or refill this container.

Call your local solid waste agency for disposal. Offer for recycling if available.

For external use only. Do not use on puppies under 8 weeks of age. Individual medications can cause adverse reactions. Consult a veterinarian before repeating treatment. Certain medications can cause additive effects or interactions if used concurrently. Consult a veterinarian if your pet is allergic to any ingredient or if your pet shows an unusual reaction to the initial application. Consult a veterinarian before using on dogs with known organ dysfunction. Do not use if your pet is pregnant or nursing. Dogs may experience some temporary irritation at the site of application. Avoid contact with skin, eyes or mouth. Do NOT treat with more than one pesticide product at a time. If signs of sensitivity occur, bathe your dog with a mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

HAZARDS TO DOMESTIC ANIMALS.

Do NOT use on cats. Do NOT use on rabbits. Do NOT use on other animals. Do not use on fish. Do not use on birds. Do not use on any animal other than the one for which it is labeled.

HAZARDS TO HUMANS.

CAUTION.

Harmful if swallowed. Causes eye irritation. Avoid contact with skin, eyes or mouth. Do NOT split tubes between pets.

Diagnosis of a disease or condition is the responsibility of the veterinarian. Use only according to the product label.
