INVERT TUBE OVER CAT AND USE OPEN END TO PART CAT'S HAIR.

How to Apply

1. Remove product tubes from the package.
2. Separate one tube from the others.
3. Hold the tube with notched end pointing up and away from the face and body, cut off the narrow end at the notches with scissors.
4. Use the tube in paper and put into the trash. Only one applicator per treatment is needed.
5. Place the applicator on the skin between the shoulder blades. Hold the cat for a few seconds to give the solution time to be absorbed into the cat's coat.
6. When finished, wrap blades.

How to Open

1. Open product tubes from the package.
2. Separate one tube from the others.
3. Holding the tube with notched end pointing up and away from the face and body, cut off the narrow end at the notches with scissors.

For external use only. Do not use on kittens under 8 weeks of age.
