**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**USE & CARE**

- **Before Use:**
  - Insert batteries into the unit: 4. Remove the battery compartment, carefully remove the battery tray, and place the batteries in the compartment as shown.
  - Replace the battery tray, making sure it locks securely in place.

- **Battery Care:**
  - Use of non-rechargeable batteries in this unit will impair the unit's operation.
  - Do not mix different types of batteries.
  - Remove batteries from the device if the device is not in use for long periods of time.
  - Store the device in a dry environment to prevent battery corrosion.
  - Remove and dispose of dead batteries.

**STORAGE AND DISPOSAL**

- **Pesticide Storage:** Store in airtight container in a cool, dry place.
- **Pesticide Disposal and Container Handling:** Non-hazardous container. Do not mix or store with other pesticides.
- **Disposal:** When empty, do not allow the container to remain in the tap or drain. If improperly filled, call your local waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**PRECAUTIONARY STATEMENTS**

- **Hazard to Humans and Domestic Animals:**
  - CAUTION: This product is lethal to cats and dogs. Keep away from pets. Keep out of reach of children. Do not abuse these products. Do not eat the contents.

  - **FIRST AID:**
    - **If inhaled:**
      - Move person to fresh air, away from the source.
      - If person is breathing, give artificial respiration, preferably mouth-to-mouth if possible.
    - **If swallowed:**
      - Call a poison control center or doctor for treatment advice.
    - **If on skin or clothing:**
      - Take off contaminated clothing.
      - Wash skin immediately with plenty of water for 15-20 minutes.
      - Call a local poison control center or doctor for treatment advice.
    - **If in eyes:**
      - Hold eye open and rinse slowly and gently with water for 15-20 minutes.
      - Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
      - Call a local poison control center or doctor for treatment advice.

- **Environmental Hazards:**
  - For terrestrial use, do not apply directly to water. Do not contaminate water when disposing of scent cartridges or dispenser.
