Permethrin*.................. 0.25%

OTHER INGREDIENTS ........ 99.75%

Total 100.00%

*Min. 35% cis, Max. 65% trans

DIRECTIONS FOR USE
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Read Entire Label Before Each Use.

HOME GARDENS
For use on home gardens. Not for use on plants being grown for sale or other commercial use. Do not water the treated area to the point of run-off. Do not make applications during rain.

HOW TO APPLY
Wearing household latex or rubber gloves, use a dust applicator such as a shaker can, dust gun, puffer or other bulbous duster, rotary duster or other appropriate duster as available.

Apply when air is calm to avoid drift and contact with eyes and skin.

WHEN TO APPLY
Use at first signs of insect infestation, preferably before damage from feeding occurs.

On Vegetables & Melons: Aphids, armyworms, artichoke plume moth, asparagus beetle, aster leafhopper, cabbage aphid, cabbage looper, Colorado potato beetle, corn earworm, corn rootworm (adult), cucumber beetle (adult), cutworm complex, cutworms, diamondback moth, European corn borer, fall armyworm, flea beetles, granulate cutworm, horns worms, imported cabbageworm, leafhoppers, leafminers, melonworm, onion maggot (adult), onion thins, pepper weevil, pickleworm, plant bugs (including lygus, squash, and stink bugs), potato aphid, potato flea beetle, potato leaf hopper, potato psyllid, potato tubeworm, rindworm, squash vine borer, tomato fruitworm, tomato pinworm, and vegetable leafminer.

On Ornamentals (Including Roses): Asparagus beetle, beet armyworm, cabbage looper, Japanese beetle, lygus bug, and omnivorous leafroller.

STORAGE AND DISPOSAL
PESTICIDE STORAGE:
Store in a cool, dry place. Do not contaminate feed or foodstuffs by storage or disposal.

PESTICIDE DISPOSAL:
If Partly Filled: • Call your local solid waste agency or 1-877-229-3724 for disposal instructions. • Never place unused product down any indoor or outdoor drain.

CONTAINER DISPOSAL:
If Empty: • Nonrefillable container. Do not reuse or refill this container. • Place in trash or offer for recycling if available.

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals

CAUTION
Humans: Harmful if swallowed, inhaled. Avoid breathing dust. Avoid contact with eyes and skin. Wash thoroughly with soap and water after handling. Avoid contamination of feed and foodstuffs. Animals: Harmful if swallowed, inhaled. Consult a veterinarian before using this product on debilitated, aged, pregnant, or nursing animals or animals on medication.

Sensitivities may occur after using ANY pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

PHYSICAL AND CHEMICAL HAZARDS
Do not use or store near heat or open flame.

ENVIRONMENTAL HAZARDS
This product is toxic to fish. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

FIRST AID +

IF IN EYES • Hold eye open and rinse slowly and gently with water for 15-20 minutes.
• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.
• Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.

IF SWALLOWED • Call a poison control center or doctor immediately for treatment advice.

IF INHALED • Get person into fresh air. If person is not breathing, give artificial respiration. If person is breathing, loosen clothing and keep warm. Call a poison control center or doctor for treatment advice.
### WHEN TO APPLY
Use at first signs of insect infestation, preferably before damage from feeding occurs. Note the pre-harvest (time between use and harvest) interval with each crop listed.
