Directions for Use

1. Remove product tubes from the package. Separate one tube from the others. Hold the tube with notched end pointing away from the face and body. Use scissors to cut off the narrow end of the notched end along the line.

2. How to open:
   - Read the label completely and follow directions.
   - Do not use these products on cats.
   - Do not treat with more than one pesticide product at a time.
   - Separate animals after treatment to avoid chance of ingestion.
   - Do not split tubes between pets.

3. 6 Step Checklist:
   - 1st Dose
   - 2nd Dose
   - 3rd Dose
   - For year-round protection, apply monthly.

4. How to apply:
   - 1st Dose: Take one dog and use one tube at point midway between the neck and tail.
   - 2nd Dose: Sending tubes for pets of the same species and weight. Take the second tube and apply it at point midway between the neck and tail.
   - 3rd Dose: Follow steps 2 and 3 above. For year-round protection, apply monthly.

5. How to store:
   - Store in a cool (below 80°F) place.
   - Keep out of reach of children.
   - Do not remove tube from the pack until ready to use.

6. How to dispose of:
   - Do not reuse or refill this container. Offer for recycling if available.
   - Do not pour into drains.
   - Provide pets with a bed or mat to lie on while applying the product.

7. 3 Month Tracker:
   - 1st Dose
   - 2nd Dose
   - 3rd Dose

8. 1st Dose
   - 2nd Dose
   - 3rd Dose
