Use one 6 ounce canister fogger to treat a room up to 30’ x 25’ with an 8 foot ceiling

DIRECTIONS FOR USE:
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

General Precautions & Restrictions
Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift. Do not apply when food is present. Exposed food should be covered or removed. All food preparation surfaces and utensils should be covered during treatment or thoroughly washed before use. Do not use in greenhouses where plants are grown for food. Wait four (4) hours after application, then open windows, vents, and doors to outdoors for one hour. There should be no remaining trace of pesticide fog or aerosol. If an odor is still detected, continue ventilating until no remaining trace or odor of pesticide remains. Do not use in aircraft cabins. When used in dairy barns or facilities: Close milk bulk tank lids to prevent contamination from spray and from dead or falling insects. Remove or cover milking utensils before application. Wash teats of animals before milking. Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application. Not for use in outdoor residential misting systems. Do not use in food/feed areas of food/feed handling establishments, restaurants or other areas where food/feed is commercially prepared or processed. Do not use in serving areas while food is present. Exposed food should be covered or removed. All food preparation surfaces and utensils should be thoroughly washed before use. Do not use in serving areas where food may be prepared or held. Commercial food/feed areas where the product cannot be used include areas for receiving, serving, storage (dry, cold, frozen, raw), packaging (mills, dairies, edible oils, syrups). Can be used in non-food areas such as garbage rooms, lavatories, entries and vestibules, offices, boiler rooms, garages, mop closets and storage (after cabling or bottling). Repeat spraying in two weeks when necessary. Does not control bed bugs.

For information on pesticide products (including health concerns, medical emergencies, or pesticide incidents), call the National Pesticide Information Center at 1-800-858-7378.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.

Manufactured for DURVET, INC.
100 S.E. Magellan Dr., Blue Springs, MO 64014
EPA Registration No. 4-428-12281
EPA Est. No. 11623-GA-1(G), 5693-MA-1(MA)

Kills fleas, ticks & spiders

killed on contact
seeks out bugs where they hide
