Cautions for use: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label. Tear open envelope and unfold towelette. Wipe on a thin film in order to protect all exposed skin areas evenly and completely. Do not apply near eyes and mouth. Use just enough product to cover exposed skin and apparel. Avoid over-application of this product. Do not apply over cuts, wounds or irritated skin. Do not use under clothing. Do not apply near eyes and mouth. Apply sparingly around ears and avoid eyes. Do not apply to children’s hands. Do not allow children to apply this product. When using on children, apply to your own hands and then put the product on the child. Thoroughly wash hands with soap and water promptly after using. Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin, and call your local poison control center. If you go to a doctor, take this repellent product with you. After returning indoors wash treated skin with soap and water. Wash treated clothing before wearing it again.

STORAGE AND DISPOSAL: PESTICIDE STORAGE: Keep this product in its tightly closed original container, when not in use. Store in a cool, dry (preferably locked) area that is inaccessible to children and animals. CONTAINER DISPOSAL: Non-refillable container. Do not reuse or refill this container. If empty, Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place removed product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS - WARNING
Causes substantial but temporary eye injury. Irritative if swallowed. Do not get in eyes. Use of this product may cause skin reactions in rare cases. Wash hands thoroughly with plenty of soap and water after handling before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID
If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice. Have the product label with you when calling a poison control center or doctor, or going for treatment. For additional information on this pesticide product, including health concerns, medical emergencies or pesticide incidents, you may call National Pesticide Information Center 800-537-7368 24 hours per day, 7 days per week.
